Re: General Employees’ Pension Plan – Actuarial Impact Statement

Dear Holly:

Jo Smith has requested that I provide the appropriate actuarial analysis of the changes to the General Employees’ Pension Plan to be enacted by a proposed ordinance. Jo sent me copies of the proposed ordinance for the Plan in an email dated January 5, 2018.

The proposed ordinance would remove the position of Vice Chair from the General Employees’ Pension Board. This change would have no direct, if any, impact on members’ benefits from a valuation perspective. Therefore, I have concluded that there should be no significant impact on the City’s funding requirements due to the changes and no formal Actuarial Impact Statement is required for this change.

Sincerely yours,

Stephen Lambert-Oswald FSA, EA, MAAA
