Nineteen (19) sewer manholes along the alignment of Thomas Drive, between Joan Avenue and Choctaw Street, have become degraded by sewer gases over the years causing concern for their structural integrity. Staff budgeted funds for replacement of the manholes in concert with Bay County's resurfacing project of Thomas Drive. Completing this project will help prevent future utility repairs of the road for years to come. Dewberry prepared contract plans and specifications. A solicitation for construction bids was publicly advertised and five (5) bidders responded. Dewberry and Staff reviewed the bid documents and both recommend that the Lump Sum contract be awarded to the lowest responsive bidder, Royal American Construction Company Inc. in the amount of \$448,862.

Bids for the work were received on July 10, 2018 and a tabulation of responsive bidders is attached. Also attached is a draft copy of the Agreement with Royal American Construction Company Inc. Funds for the project are currently available in the Utility Department budget.

WHY - To allow the City Manager to enter into a construction contract with Royal American Construction Company Inc. to conduct multiple manhole replacements on Thomas Drive.

WHAT - Replace nineteen (19) manholes on Thomas Drive between Joan Avenue and Choctaw Street.

<u>CONTRACTOR</u>	<u>TOTAL LUMP SUM BID</u>
