ATTORNEY REPORT

Ms. Myers had no report.

CITY MANAGER REPORT

COUNCIL COMMENTS

Councilman Casto asked if the Council could dissolve the Civil Service Board by vote. Ms. Myers explained that, if voter’s approved the proposed Charter amendment, the Council could change the composition of the board but not dissolve it. Councilman Casto explained the Civil Service Board has been a benefit and due process for the employees. He asked why the City is not having early voting. Mr. Gisbert explained it costs the City more money.

Councilman Chester asked for an update on the property next to Frank Brown Park. Mr. Gisbert explained the property is still under contract and he will reach out to the new owner to see if they are willing to sell a parcel or easement, if available. Councilman Chester asked Chief Whitman about human trafficking. Chief Whitman explained human trafficking is everywhere, the department is working on several cases and is aware of the issues.

Councilman Solis explained cities in Florida have moved on from Civil Service Boards, more information was placed on social media but removed by request of another Council Member. The street department has done a great job staying on top of grants for sidewalk projects, there is a big amount of work behind the scenes to get things done. He explained since Hurricane Michael apartment complexes are charging exorbitant amounts and storage units have doubled in price. In neighboring cities debris cleanup was a half billion dollars. The schools have laid off over 600 employees. Federal money is not coming in and the cost to recovery is great. People need to get involved and contact their state representatives for a solution. The cost per person is thousands if they do not come up with an emergency half cent sales tax.
Mayor Thomas explained the Civil Service Board going to a referendum was approved by majority vote of the Council. Mr. Thompson has not asked to meet with him on any subject to gather facts or suggest solutions. Mayor Thomas explained it is the Council's job to save the city money and run the City efficiently.

With nothing further, the meeting was adjourned at 6:59 p.m.

READ AND APPROVED this 25th of April, 2019.

10. CONTRACTOR recognizes that OWNER is exempt from sales tax and may wish to generate sales tax savings for the Project. Accordingly, to the extent directed by and without additional charge to OWNER, CONTRACTOR shall comply with and fully implement the sales tax savings program as more fully described in the Sales Tax Exemption Addendum. If required by OWNER, the Sales Tax Exemption Addendum shall be made a part of the Contract Documents, the form of which is set forth in Section 00808.

11. The failure of OWNER to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a continuing waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

12. Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by this Agreement.

13. Should any provision of the Agreement be determined by a court with jurisdiction to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.
14. Unless the context of this Agreement otherwise clearly requires, references to the plural include the singular, references to the singular include the plural. The term "including" is not limiting, and the terms "hereof", "herein", "hereunder", and similar terms in this Agreement refer to this Agreement as a whole and not to any particular provision of this Agreement, unless stated otherwise. Additionally, the parties hereto acknowledge that they have carefully reviewed this Agreement and have been advised by counsel of their choosing with respect thereto, and that they understand its contents and agree that this Agreement shall not be construed more strongly against any party hereto, regardless of who is responsible for its preparation.

15. For this Project, OWNER has designated a Project Representative to assist OWNER with respect to the administration of this Agreement. The Project Representative to be utilized by OWNER for this Project, shall be Mr. Mark Shaeffer – Utilities Engineer.

16. CONTRACTOR acknowledges and agrees that no interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which the OWNER, PROJECT REPRESENTATIVE, or ENGINEER may be responsible, in whole or in part, shall relieve CONTRACTOR of its duty to perform or give rise to any right to damages or additional compensation from OWNER. CONTRACTOR expressly acknowledges and agrees that it shall receive no damages for delay. CONTRACTOR’s sole remedy, if any, against OWNER will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned “No Damage For Delay” provision. This section shall expressly apply to claims for early completion, as well as to claims based on late completion. Notwithstanding the foregoing, if the Work
is delayed due to the fault or neglect of OWNER or anyone for whom OWNER is liable, and such delays have a cumulative total of more than 90 calendar days, CONTRACTOR may make a claim for its actual and direct delay damages accruing after said 90 calendar days as provided in Section 00805 Supplemental Conditions, Contract Claims and Changes. Except as expressly set forth in this section, in no event shall OWNER be liable to CONTRACTOR whether in contract, warranty, tort (including negligence or strict liability) or otherwise for any acceleration, soft costs, lost profits, special, indirect, incidental, or consequential damages of any kind or nature whatsoever.

17. INSURANCE - BASIC COVERAGES REQUIRED

The CONTRACTOR shall procure and maintain the following described insurance on policies and with insurers acceptable to OWNER. Current Insurance Service Office (ISO) policies, forms, and endorsements or equivalents, or broader, shall be used where applicable.

These insurance requirements shall not limit the liability of the CONTRACTOR. The insurance coverages and limits required of CONTRACTOR under this Agreement are designed to meet the minimum requirements of OWNER and the OWNER does not represent these types or amounts of insurance to be sufficient or adequate to protect the CONTRACTOR'S interests or liabilities. CONTRACTOR alone shall be responsible to the sufficiency of its own insurance program.

The CONTRACTOR and the CONTRACTOR'S subcontractors and sub-subcontractors shall be solely responsible for all of their property, including but not limited to any materials, temporary facilities, equipment and vehicles, and for obtaining adequate and appropriate insurance covering any damage.
or loss to such property. The CONTRACTOR and the CONTRACTOR’S sub-contractors and sub-subcontractors expressly waive any claim against OWNER arising out of or relating to any damage or loss of such property, even if such damage or loss is due to the fault or neglect of the OWNER or anyone for whom the OWNER is responsible. The CONTRACTOR is obligated to include, or cause to be included, provisions similar to this paragraph in all of the CONTRACTOR’S subcontracts and its subcontractors’ contracts with their sub-subcontractors.

The CONTRACTOR’S deductibles/self-insured retention’s shall be disclosed to OWNER and are subject to OWNER’S approval. They may be reduced or eliminated at the option of OWNER. The CONTRACTOR is responsible for the amount of any deductible or self-insured retention. Any deductible or retention applicable to any claim or loss shall be the responsibility of CONTRACTOR and shall not be greater than $25,000, unless otherwise agreed to, in writing, by OWNER.

Insurance required of the CONTRACTOR or any other insurance of the CONTRACTOR shall be considered primary, and insurance of OWNER shall be considered excess, as may be applicable to claims or losses which arise out of the Hold Harmless, Payment on Behalf of OWNER, Insurance, Certificates of Insurance and any Additional Insurance provisions of this agreement, contract or lease.

6. BACKGROUND: (WHY IS THE ACTION NECESSARY, WHAT GOAL WILL BE ACHIEVED)
Chief Whitman recently received a letter from a long-term police department employee indicating his intent to retire in June 2019. During the budget process, finance works with each department head to anticipate planned retirements in an attempt to budget for the pay-out of vacation and sick leave anticipated to occur during the fiscal year being budgeted. We utilize the facts and circumstances known to us at that time including employees known to be at the end of their DROP period, discussions between each department head and their staff, etc. In this instance, the employee was not a participant in the DROP and there was no indication of an intent to retire during fiscal year 2019. The employee has been with the City in excess of 20 years and as such, is entitled to be paid for a significant number of sick leave hours as well as accrued vacation time. A budget amendment in the amount of $78,100.00 is necessary to provide the funding for the accrued hours due as well as the related payroll taxes. The funds will be paid from the reserve for compensated absences established for circumstances such as this. Adequate funds are available in that reserve for this budget amendment. STAFF recommends approval.
RESOLUTION 19-81

A RESOLUTION OF THE CITY OF PANAMA CITY BEACH, FLORIDA, AUTHORIZING A BUDGET AMENDMENT TO PROVIDE FUNDING FOR THE UNEXPECTED RETIREMENT OF A PANAMA CITY BEACH POLICE DEPARTMENT EMPLOYEE.

WHEREAS, the City Council has received notice from a longtime police department employee of his retirement in June, which retirement was not anticipated in the original budget;

WHEREAS, a budget amendment is necessary to fund the leave payouts to which the employee is entitled, and the taxes associated therewith, from the City’s reserves.

BE IT RESOLVED that the budget amendment (#26) attached, incorporated and marked as Exhibit A is adopted for the City of Panama City Beach, Florida, for the fiscal year beginning October 1, 2018, and ending September 30, 2019 as shown in and in accordance with the attached and incorporated Exhibit A, for the purposes stated herein.

THIS RESOLUTION shall be effective immediately upon passage.

6. BACKGROUND: (WHY IS THE ACTION NECESSARY, WHAT GOAL WILL BE ACHIEVED)
Generally in emergency situations salaried employees are called upon to work excessive hours
beyond the routine work week, for which they receive no additional compensation. Non-salaried
employees are compensated for hours worked during an emergency beyond the routine work week.
This circumstance has created a situation of inequity among the responding workforce on behalf of all
citizens in the City, highlighted most recently by the extraordinary work effort of salaried employees in
the days and weeks following Hurricane Michael.

In anticipation that the City will be faced with emergencies in the future, staff requests the Council
amend the personnel policies to permit additional compensation to salaried personnel during declared
emergencies.

Staff recommends approval.

EMERGENCY PAY POLICY

All city employees are essential to the organization and are the most important part of the City's service delivery system. During times of emergency, critical services provided by the City must continue to be provided during emergencies to insure to the best of our ability that the public is protected. City employees who are designated by their respective department heads to perform their assigned duties to ensure that critical services are continuously offered during and immediately after disasters are issued a city employee identification card with an essential worker designation printed on the back side.

During a "Declared Local State of Emergency" the City Manager shall have the authority to excuse certain personnel from responding to work and shall have the authority to authorize exempt and non-exempt personnel to work their regularly scheduled work hours and in excess of their regularly scheduled work hours.

"Declared Local State of Emergency" means any occurrence, or threat thereof, whether natural, technological, or manmade, in war or in peace, which results or may result in substantial injury or harm to the population or substantial damage to or loss of property existing within the City, which has been declared by executive order of the Mayor.

State of Emergency Compensation:

During a Declared Local State of Emergency, the City Manager shall designate which departments and employees are tasked with performance of emergency-related work eligible for compensation under this section.

-Exempt employees that are not eligible for overtime and are required to perform emergency-related work will receive compensation at a rate of time and one-half the employee's rate of pay for actual hours worked during the "declared state of emergency" at such time as the exempt employee has logged 50 hours of actual work related to the declared emergency in that workweek, above 40 hours in a given week. This time should be taken within a reasonable period after accrued as long as the request to use the accrued time will not unduly disrupt the operations of the division in providing levels of service of an acceptable quality and quantity.
-Non-exempt employees who are eligible for overtime and are required to perform emergency-related work will receive time and one-half for actual hours worked during the “declared state of emergency” irrespective of whether or not the employee’s overtime threshold has been met. Once an employee’s overtime threshold has been met during a “declared state of local emergency”, compensation will be paid for actual hours worked at time and one-half the employee’s rate of pay (equivalent to 1.50 times the normal non-overtime wage).

-Exempt or non-exempt employees excused by the City Manager from responding to work will receive their normal pay.

-Employees on leave remain on leave until their return and will be charged leave time accordingly.

During a Declared Local State of Emergency, overtime reports must state how many overtime hours are associated with the declared emergency. Additionally, information should be included in the overtime reports that identify whether it was pre-emergency or post-emergency work. You may have additional hours that will be reported that are not associated with the Declared Local State of Emergency. Each department should retain copies of payroll records and overtime reports generated during a declared emergency until such time as you will be requested to provide these records to the appropriate office.

6. **BACKGROUND: (WHY IS THE ACTION NECESSARY, WHAT GOAL WILL BE ACHIEVED)**
   The Fire Rescue Department is requesting the purchase of multi-year contract services to perform annual National Fire Protection Association (NFPA) physicals for the City's firefighters in accordance with NFPA Standard 1582. These annual physicals are mandated for firefighters in reducing the risks of cancers and other job-related illnesses as we are considered "High Risk", and is part of the departments wellness plan. The department attempted to receive three quotes but only two quotes were received;

   1. Lifescan @ $395.00 per person for 2019, 2020 (48 X $395.00 = $18,960.00); @ $414.00 per person for 2021 (48 X $414.00 = $19,872.00)
   2. SiteMed @ $380.00 per person (48 X $380.00 = $18,240.00 plus $6,725.00 for a total of $24,965.00)

   These are annual costs.

   The department requests that Lifescan be chosen, as they are the lowest bid for the complete testing and we had great results with them previously. If chosen, we will be able to coordinate with Panama City Fire Department to have the testing completed in June and July 2019 with their department as they are using the same company.

6. **BACKGROUND:**
   - (WHY IS THE ACTION NECESSARY, WHAT GOAL WILL BE ACHIEVED)
   
   AT ITS REGULAR MEETING ON APRIL 10, 2019, THE PLANNING BOARD CONSIDERED AND ULTIMATELY VOTED TO RECOMMEND AN LDC AMENDMENT THAT WOULD PERMIT THE MAXIMUM HEIGHT IN FBO-1 TO BE INCREASED 3 FEET (FOR A MAXIMUM OF 38') ON THE CONDITION THAT THE HEIGHT INCREASE WAS UTILIZED TO PERMIT OPEN (NOT FULLY ENCLOSED) GROUND FLOOR PARKING OF VEHICLES UNDER THE STRUCTURE. THEY FOUND THE OPEN PARKING TO BE AN ESSENTIAL CONDITION TO PREVENT THE LATER CONVERSION OF PARKING AREA INTO A GAME ROOM OR OTHER HABITABLE SPACE CONTRARY TO THE PURPOSE FOR WHICH THE PLANNING BOARD INTENDED THE 3 ADDITIONAL FEET TO BE UTILIZED.

   GIVEN THE COUNCIL'S RECENT POLICY DECISIONS TO REMOVE AVENUES THAT INCREASE THE MAXIMUM BUILDING HEIGHTS IN THE CITY, STAFF REQUESTS COUNCIL'S DISCUSSION OF THE PLANNING BOARD RECOMMENDATION SO THAT WE CAN HAVE A CLEAR IDEA ON HOW THE COUNCIL WOULD LIKE TO PROCEED OR NOT ON THIS MATTER.
