The following is the list of activities for Consideration of the FY 19/20 Near Term Work Plan:

1. Continue to coordinate with Gulf Power and the communication companies to complete installation of remaining underground lines (if any) and removal of remaining poles and aerial lines for Front Beach Road Segment 2.

2. Begin construction of Front Beach Road Segment 3 and Highway 79.

3. Continue management of Front Beach Road design and construction plans for Segment 4.1 (Lullwater to Hill Road). Coordinate with FDOT to utilize the combined TRIP grant funding. Advertise final construction plans for bid.

4. Finalize the plans and advertise for bid the Alf Coleman Phase I project to raise the roadway out of the floodplain and install FDOT funded sidewalks.

5. Coordinate with future developments for CRA right-of-way partnerships, specifically, but not limited to, Powell Adams Road where a development is planned at the intersection of Front Beach Road.

6. Continue coordination with FDOT to secure right of way agreements and right of way transfers beneficial to the City. Hold a workshop with City leaders and FDOT to discuss options.

7. Implement a street sweeping program. This will extend the life of the pavement and protect the functionality of the stormwater management system.

8. Manage CRA landscape maintenance contracts to include Segment 2 after 1-year maintenance period expires.

9. Consider beach parking opportunities to compliment beach access points to include public/private parking partnerships.

10. Coordinate with the Bay Town Trolley to offer transit opportunities along the completed Front Beach Road segments.

11. Continue exploring alternate roadway transit funding through government grants, loan programs, and public/private partnerships.

12. Continue efforts to evaluate local economic trends and available tax increment revenues to develop financing options and plans, including leveraging tax increment funds to procure additional bond financing.
