DRAFT MINUTES
The Special Meeting of the City Council of the City of Panama City Beach, Florida, related to the COVID-19 Action Plan, held on July 15, 2020.

ROLL
MAYOR MARK SHELDON
COUNCILORS: TONY O'ROURKE
PAUL CASTO INTERIM CITY CLERK:
PHIL CHESTER JO SMITH
GEOFF MCCONNELL CITY ATTORNEY:
MICHAEL JARMAN AMY MYERS

Mayor Sheldon called the meeting to order at 9:00 A.M.

Councilman Casto gave the invocation and led the Pledge of Allegiance.

Mayor Sheldon explained how Special Meetings were called, dealing with notices, and that three Council members may call a Special Meeting. For the record, he asked for a roll call vote on who called for this meeting:

Councilman Casto Aye
Councilman Chester Nay
Councilman McConnell Aye
Councilman Jarman Aye
Mayor Sheldon Nay

Mayor Sheldon called for public comments from the floor and there were none.

SPECIAL MEETING- DISCUSSION/ACTION

ITEM 1 COVID-19 ACTION PLAN ADDITIONAL MITIGATION MEASURES. Ms. Myers read Emergency Ordinance 1533-E by title and gave a brief summary. She said masks or face coverings would be mandatory inside businesses with several exceptions. She explained the screening requirements and civil penalties.

Mayor Sheldon called for public comment.

1 Mr. Michael Steinkirchner. Mr. Steinkirchner said he supported businesses taking accountability. He reminded that government regulated commerce but also provided for the general welfare.

2 Mr. Burnie Thompson. Mr. Thompson said he thought masks should be voluntary and questioned who would enforce this Ordinance. He said it would be unenforceable because a person could not be forced to wear a mask if they said they could not for health reasons.

3 Mr. Shane Boyette. Mr. Boyette said he was concerned about his employees wearing masks outside but had no concerns on the requirement for their wearing masks inside.
4 Mr. Timothy Randall. Mr. Randall said he was concerned about health issues in wearing masks outside in the heat. He asked for masks to be encouraged, not mandated. He said this was an overreach by the government.

5 Mr. Hal Lacey. Mr. Lacey questioned the motives for this regulation. He spoke of this virus compared to the flu. He said social distancing was draconian and spoke of the occupancy rate in the hospitals.

6 Ms. Debbie Ward. Ms. Ward gave a brief synopsis of the emails she had received; numerous emails supported the masks being required, some opposed the masks, and some emails reported businesses with no social distancing.

With no further comments, the Mayor closed the comment section.

Mr. O’Rourke said the Council since March had taken measured steps related to the virus but the last few weeks had shown a significant spike in the number of cases. He said the CDC recommended masks and that most people would wear masks if the government required them. He said this was a valid option to protect the general public.

Councilman Casto said some people were not wearing masks and now Florida was #2 in the nation with the number of cases. He said the doctors were struggling with the patient volume, and he reminded that we did not have large hospitals, the ERs were full, and the doctors were overworked. He said the only option left was to wear a mask and he supported wearing the masks inside of businesses.

Councilman Chester said his major concern was enforcement. He said the public needed more education and there were many loopholes. He said our Police Department and Code Enforcement were already stretched. He said he did not know if this Ordinance was the answer because he could not see how it could be enforced. He suggested more education and signs, but when could they be made and when could they be installed. Ms. Myers said Staff had been working on preliminary drawings for signs.

Councilman McConnell said Gulf Coast Hospital had already stopped elective surgeries. He said he also had reservations about the enforcement and continued that the biggest help so far had been the social distancing. He suggested not singling out restaurants, but also include the stores such as Home Depot, Lowes, and Wal-Mart. He said most businesses were not social distancing at checkout. He said the 50% occupancy should be any business.

Councilman Jarman said he hoped the Council could come to an agreement to protect the general welfare since they were obligated to protect the residents, visitors and the employees. He said masks would help maintain the workforce and not have interrupted services. He continued that the Police Department was enforcing social distancing so enforcing the masks would work hand-in-hand. Councilman Jarman said this was part of the solution, but not an immediate effect. He agreed not singling out restaurants.

Mayor Sheldon said education was the better option. He said he was willing to wear a mask if asked, but not mandated. He said he had received numerous emails, that the Council cared more about money than lives. He said the Police Department could not enforce this Ordinance. The Mayor said he personally wore a mask because it was the right thing to do, but he was not a fan of a mandate. He said it was important to show the Council cared and that the last thing the City needed was to close the beach again. He said he worried about our First Responders. He agreed that the 50% should be extended to all businesses. But no mandate.
Discussion ensued concerning enforcement. Councilman Casto said this would be a burden on businesses. He spoke of going to the doctor and being required to wear a mask. He said the protection worked best when everyone wore a mask.

Councilman McConnell said the City could not afford another week without some action. He said he believed in a layered approach and understood the reason for mandatory masks. He spoke of the lack of data from the Health Department on the numbers of negative cases as well as the five day lag in receiving testing results. He said he worried that the City could not respond quickly enough with that lag. He said he did not support mandatory masks but was concerned about enforcement. He recommended removing the mandatory mask requirement. Mayor Sheldon said any business that had an employee case should close, such as Firefly.

Councilman McConnell said he agreed with the employees wearing masks, closing the loopholes, and reopening the bars that sold food. He said the Ordinance would need an enforcement mechanism and asked for common sense to be placed in the Ordinance. He also wanted 50% across the board, not merely restaurants.

Discussion ensued concerning restaurants, with most servers already wearing masks. Mayor Sheldon said it was critical to continually educate people with the social distancing the best aspect. Councilman Chester was concerned about checking IDs to be served alcohol if wearing a mask. Councilman Casto said he supported mandating the employees wear masks and recommend the public customers wear masks. Councilman McConnell supported social distancing at the checkout counters. Councilman Chester asked about the businesses in the unincorporated sections of the beach and if the discussion should be extended a few more days. Mayor Sheldon said it would be difficult for the businesses to be prepared so quickly. Councilman McConnell suggested the social distancing by Friday and the masks Monday.

Discussion ensued concerning the citation fees, with the suggestion making the fee higher at the second offense. Chief Whitman said he could not enforce public masks because the person could not be asked why they were not wearing the mask and his concern about the flood of calls into dispatch about people not wearing masks.

At this juncture, the Council called a short recess at 10:20 A.M. so that the attorneys could revise the language of the draft Ordinance. At 10:43 A.M., the Mayor reopened the meeting and Ms. Myers read the revised Emergency Ordinance 1533-E by title.

Councilman McConnell said this would apply to all businesses except hotels and condos. Ms. Myers clarified the effective dates. Councilman McConnell spoke of indoor amusements such as Rock It Lanes not being covered by the 50%. The other Councilors agreed that they should also be covered by the regulations.

For the effective date, Mr. O'Rourke recommended all Monday so that the entire weekend could be used for educating the public. He added that the Chamber could work with the City as there would be a lot of people to visit. Councilman McConnell suggested getting the Ordinance in place prior to the weekend because a full beach was expected. Councilman Casto agreed with Councilman McConnell. Mayor Sheldon said he wanted to see the draft signage so that it could be in place before the weekend.

Ms. Myers read the final version of Emergency Ordinance 1533-E by title. The Mayor asked if there were any further comments. There were none. Councilman McConnell made the motion to approve Emergency Ordinance 1533-E. Second

With nothing further, the meeting was adjourned at 10:55 A.M.

However, FDEP now required connections for individual homeowners with irrigation systems. He displayed photos and explained that if the irrigation was not on the house meter, reclaimed water, or a well, the new system would be required. He continued that the system would be tested when installed and retested every two years, paid by the homeowner. He said the cost would be approximately Two Thousand Dollars.

Mayor Sheldon asked how more subdivisions could go with the reclaimed water system. Mr. Shortt replied it was costly for across the road access and driveways. He said it was very expensive to retrofit, but he could get estimates.

**ITEM 11 COVID-19 ACTION AND DISCUSSION.** Mayor Sheldon opened the floor for comment and there was none.

Mr. O'Rourke spoke of the significant increase in numbers with Panama City having two thirds of all the cases for the County with many of the City employees living in Panama City. He explained the measures being taken to erode the pandemic.

Mayor Sheldon said he hoped the community would voluntarily wear masks. He said many big businesses were already mandating masks and he was only seeing the numbers rising. He said he was concerned about our senior citizens and having to make an unpopular decision. Councilman Chester spoke of his concerns about enforcement. Mayor Sheldon agreed that the problem would be enforcement and said data would drive the Council decision. Councilman Casto said 75% of our visitors were not wearing masks. He said it was a simple requirement for everyone to wear a mask when they entered a building. He said the City could not withstand another shutdown.

Discussion ensued concerning enforcement and fines for non-compliance. Councilman McConnell said mandating masks were appropriate but he felt the fines were egregious. He thought more $25 and $50. Mr. O'Rourke said the City had ordered Twenty Thousand masks which would be available. Councilman McConnell said he was concerned about people calling to report no masks and that possibly a special telephone line should be set up for such calls, to take the burden off 911. Councilman Casto said he was fine with adjusting the fines and that most people would do the right thing.

Councilman Casto made the motion to approve changes to the draft Ordinance as discussed. Second was by Councilman Jarman.

Ms. Myers said she would make those changes and asked Mr. Pickle to display the revised version on the monitor for review. Councilman McConnell said it was a big problem with employers letting their sick employees continue to work. Mayor Sheldon concurred, if sick go home. Councilman Jarman said masks protect the employees from the patrons.

**ITEM 12 DISCUSSION- ADMINISTRATIVE REORGANIZATION.** Mayor Sheldon opened the floor for comments.

Mr. Burnie Thompson commented that the City Clerk was a prominent position and not subordinate to the City Manager. He said the Clerk would need dedicated help. He spoke of the City Clerk duties as outlined in the Charter. With no further comments, the Mayor closed the floor.
Mr. O'Rourke said Mr. Thompson's concerns were valid. He said the Clerk would now have two responsibilities and he would only have oversight on the Civil Service duties. He spoke of the financial savings and that the new City Clerk had the skill to do both jobs. He said he was comfortable the combination would be successful. He added that he did not need an Executive Assistant, and the savings would be Twenty Thousand Dollars per year.

For the second position, this would be for the volunteer program and to supplement the work force. He said there would be no added staff. This new position would also be able to communicate more with the public on the CRA. He said some of the hours would be from one of our receptionists. He spoke of the net savings for both positions.

Councilman Jarman made the motion to approve the reorganization. Second was by Councilman Casto and the motion passed by unanimous roll call vote recorded as follows:

Councilman Chester  Aye  
Councilman McConnell  Aye

ITEM 13  DISCUSSION- FRANK BROWN PARK 8 ACRE DEVELOPMENT. Mayor Sheldon called for public comment and there was none.

Mr. O'Rourke explained the plan to solicit opportunities to develop the eight acres, with the possibility of significant ground lease revenue. He said its use as a parking lot could have a higher alternate use. He said this opportunity would generate additional revenue without raising taxes or user fees.

Councilman McConnell said he had reservations for the City using the space for anything other than recreation. He said he would be interested in seeing the proposals but felt it was a loss. Councilman Chester questioned where the parking would be available for tournaments. Councilman Jarman said possibly behind Frank Brown Park, but this matter was only a test.

Councilman Casto made the motion to move forward. Second was by Councilman Jarman and the motion passed by unanimous roll call vote recorded as follows:

Councilman Chester  Aye  
Councilman McConnell  Aye  
Councilman Jarman  Aye  
Councilman Casto  Aye

ITEM 14*  DISCUSSION- SOUTH THOMAS PARKING LOT DEVELOPMENT. Mayor Sheldon opened the floor for comments. There were none.

Mr O'Rourke said the two acre lot met the needs of the CRA as well as afforded the opportunity for a small commercial development. He spoke of issuing a Request for Proposals to generate a revenue stream. Then the Council could decide on the best and highest use for the land. Councilman Chester said he favored a sunset clause after ten years, for the land to revert back to the City. He suggested possibly an amusement. Mr. O'Rourke said the land was a blank canvas and the responses would see what money could be generated.
Councilman Casto made the motion to move forward. Second was by Councilman Chester and the motion passed by unanimous roll call vote recorded as follows:

ITEM 15 DISCUSSION- FOOD TRUCKS IN CITY LOT. Mayor Sheldon opened the floor for comments and there were none.

Mr. O’Rourke said food trucks were widely popular but it would be important for them to move every day. He suggested maybe establishing something on a temporary basis to test the waters and suggested the lot at Ripley’s. Mayor Sheldon said he did not think City land was the best place as our brick and mortar restaurants would be hurt. Mr. O’Rourke suggested a “food truck court concept” and try it for six months. Councilman McConnell said the food truck Ordinance would have to be revisited to remove the bathroom requirements, and he preferred the City to remain neutral. Mr. Leonard explained the current ordinance only allowed a food truck for seven days within thirty days on one site. The Ordinance would have to be amended for a longer period. Mr. O’Rourke said he would propose to bring the Ordinance back to Council, to be fair to the brick and mortar restaurants, and meet the demand by the private sector. There were no objections.

ITEM 11 COVID-19 ACTION AND DISCUSSION (Continued). Ms. Myers read the amended title of Emergency Ordinance 1536-E and the draft was displayed. She highlighted the changes for enforcement, cleaning, expansion for patrons, and a sunset date. Mayor Sheldon called for comments from the floor.

1 Mr. Rex Reid. Mr. Reid spoke of re-educating people and erroneous CDC numbers. He spoke of actions based on fear rather than following facts.

2 Ms. Colleen Swab. Ms. Swab asked how masks usage could be enforced.

3 Mr. Jeff Clingeu. Mr. Clingeu said he could not tolerate a mask for medical reasons. He spoke of reasonable accommodations and said the fines would be a burden.

4 Mr. Burnie Thompson. Mr. Thompson said the new Ordinance would not be enforceable.

5 Mr. Gary Beck. Mr. Beck spoke of the fake media and fake news. He said the COVID was creating a division within the nation.

6 Ms. Debbie Ward. Ms. Ward spoke of the online comments, concerns about hotel lobbies and questions about enforcement.

With nothing further, the Mayor closed the comment section.

Mayor Sheldon spoke of the ADA exemption and it would be up to the individual businesses to refuse service if no mask. Councilman Jarman spoke of the debate about the efficiency of different masks. The Mayor said the signage would need to be modified. Councilman McConnell said he still had deep reservations on the enforcement side. He said he had received many emails the last week shifting toward requiring masks. Mayor Sheldon said his emails since last week had also gotten stronger. Councilman Chester said his emails had been in support of masks.

Discussion ensued concerning the 5 P.M. Monday effective date. Mayor Sheldon suggested a sunset date of August 13th and allow the Council to look at the issue at each
future meeting. Ms. Myers said the regulations could be extended by Resolution. Ms. Myers read the revised Section 9 which included common spaces within hotels unless outside.

Councilman Jarman made the motion to approve amended Emergency Ordinance 1536-E. Second was by Councilman Casto and the motion passed by unanimous roll call vote recorded as follows:

- Councilman Chester  Aye
- Councilman McConnell  Aye
- Councilman Jarman  Aye
- Councilman Casto  Aye

6. **BACKGROUND: (WHY IS THE ACTION NECESSARY, WHAT GOAL WILL BE ACHIEVED)**

   On May 28, 2020, the City Council established the Financial Advisory Board, and appointed Katy Hewitt as one of its five members. Ms. Hewitt is employed by Rotolo Consultants, Inc., who, prior to Ms. Hewitt’s appointment, was contracted to provide landscaping services within the Front Beach Road Community Redevelopment Area (Contract 1). Since Ms. Hewitt’s appointment to the Board, Rotolo has submitted a proposal to provide landscaping services at City Parks, in response to the City’s competitive solicitation for those services. Staff has determined that Rotolo was the lowest responsive bidder, and recommends the Council approve the award of that contract to Rotolo (Contract 2). Ms. Hewitt did not participate in the City’s preparation or evaluation of that solicitation, or Rotolo’s response to it.

   Section 112.313 governs the standards of conduct for public officers, which standards apply to advisory board members. Section 112.313(3) of this statute prohibits a public officer from doing business with its agency, which in this case is the City Council. However, this section does not apply to contracts entered prior to the official’s appointment to public office, such that no conflict exists with regard to Contract 1. With regard to Contract 2, Section 112.313(12) provides that conflicts pursuant to subsections(3) (Doing Business with One’s Agency) and (7)(Conflicting Employment or Contractual Relationships) as they pertain to persons serving on advisory boards may be waived in a particular instance by the body which appointed the person to the advisory board, upon a full disclosure of the transaction or relationship to the appointing body prior to the waive and an affirmative vote in favor of the waiver by two-thirds vote of that body.

   Staff believes Ms. Hewitt is an asset to the Financial Advisory Board and requests the Council waive the conflict of interest regarding Contract 2.

In an effort to give employees greater freedom for the use of their time off, the City wishes to convert to a Paid Time Off (PTO) program effective January 1, 2021.

PTO plans allow employees to use time off for any reason, thus simplifying the administrative process considerably. At the core of a PTO plan is the principle that employers aren’t managing the reasons for an absence, but rather giving employees the freedom to use their time off as they see fit. Most private companies use PTO and more governments are moving to PTO for this reason. Bay County, Crestview, Lynn Haven and Pensacola are on PTO plans.

The proposed Resolution converts the City’s current program into a PTO program. The Resolution would combine vacation and sick at a one time conversion rate and going forward would allow employees to earn one bucket of time. There is also an annual cash out provision for employees who wish to sell back PTO at the end of the year.

It is worth noting that consistent with the current policy, 2,756-hour employees in Fire Rescue will earn PTO at a different rate than 2,080-hour employees.

Staff recommends approval.
RESOLUTION 20-158

A RESOLUTION OF THE CITY OF PANAMA CITY BEACH, FLORIDA, APPROVING A PAID TIME OFF POLICY TO SUPERCEDE THE CITY’S CURRENT VACATION AND SICK LEAVE POLICIES.

BE IT RESOLVED by the City Council of the City of Panama City Beach, that the Paid Time Off Policy attached and incorporated herein as Exhibit A to this Resolution is hereby adopted, and shall go into effect on January 1, 2021.

AND BE IT FURTHER RESOLVED that all policies or resolutions or parts of resolutions or policies in conflict herewith are repealed to the extent of such conflict.

THIS RESOLUTION shall be effective immediately upon passage.

PASSED in special session this ___ day of ____________, 2020.

A. **Purpose and Accumulation of Paid Time Off (PTO)**

The purpose of Paid Time Off, hereinafter known as PTO is to establish a leave program that allows eligible employees flexibility in planning for and taking time off. PTO combines personal business or recreation, doctor appointments and unexpected absences such as illness or illness in the family, into a single system that simplifies accountability and tracking.

Accrual of PTO begins on the date of employment for all regular employees, and in most cases, ends with the date of separation. Regular employees for the purpose of PTO are all employees except part-time and temporary/seasonal status employees. PTO accrual for fractions of a month shall be prorated based on hours credited in a pay period. For the purpose of computing PTO taken, only normal working days/schedules are to be counted as leave.

PTO shall be earned based on the following schedule for regular employees who work 2,080 hours per year:

<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Hours per Year</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 5 years</td>
<td>152 hours</td>
</tr>
<tr>
<td>5 - 10 years</td>
<td>176 hours</td>
</tr>
<tr>
<td>11 - 14 years</td>
<td>200 hours</td>
</tr>
<tr>
<td>15 - 19 years</td>
<td>224 hours</td>
</tr>
<tr>
<td>20 years or more</td>
<td>248 hours</td>
</tr>
</tbody>
</table>

PTO shall be earned based on the following schedule for Fire Rescue employees who work 2,756 hours per year:

<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Hours per Year</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 5 years</td>
<td>204 hours</td>
</tr>
<tr>
<td>5 - 10 years</td>
<td>235.2 hours</td>
</tr>
<tr>
<td>11 - 14 years</td>
<td>268.8 hours</td>
</tr>
<tr>
<td>15 - 19 years</td>
<td>298.8 hours</td>
</tr>
<tr>
<td>20 years or more</td>
<td>331.2 hours</td>
</tr>
</tbody>
</table>

B. **Eligibility**

All full-time employees are eligible to earn PTO.

C. **Restrictions on Accumulation of PTO**

An employee shall not earn PTO during a leave of absence without pay, a suspension without pay, or when the employee is otherwise in a non-pay status. Further, should an employee use PTO in conjunction with resignation, such employee shall not earn additional PTO during such leave period.

Earned PTO may not exceed:

<table>
<thead>
<tr>
<th>Description</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>Regular employees who work 2,080 hours per year.</td>
<td>380</td>
</tr>
<tr>
<td>Emergency Services employees who work 2,756 hours per year.</td>
<td>440</td>
</tr>
</tbody>
</table>

Amounts in excess of that shall be forfeited unless used by the end of the pay period in which December 31 falls.
D. Payout of PTO Upon Separation from Employment

In cases of separation from employment with the City by voluntary resignation, involuntary reduction in workforce or occupational disability, employees who have successfully completed their probationary period may receive a maximum PTO payout as shown below:

<table>
<thead>
<tr>
<th>Regular employees who work 2,080 hours per year.</th>
<th>380 Hours + Current Year Accrual</th>
</tr>
</thead>
<tbody>
<tr>
<td>Emergency Services employees who work 2,756 hours per year.</td>
<td>440 Hours + Current Year Accrual</td>
</tr>
</tbody>
</table>

E. Use of PTO

Employees shall begin accruing PTO on the beginning date of employment but shall not be permitted to use PTO until completion of three (3) months of employment. In some cases, a new employee may need to use time prior to completion of the 90-day waiting period, and this exception may be approved by the Department Head.

The employee shall charge absences from work to PTO according to the number of leave hours rounded to fifteen (15) minute minimum increments. The timeclock will read (0.25, 0.5, 0.75 or 1.0)

The Human Resources Division will be responsible for the implementation and compliance of this policy. Any amendments made after the effective date will be made available to all employees of the City.

F. Exhaustion of PTO Leave

When an employee qualifies for FMLA and the employee’s PTO has been exhausted, any absences from work due to a medically certified illness or injury will be taken as leave without pay (LWOP) during which time no further PTO accrues.

If an employee has exhausted all FMLA and PTO and requests additional time off, the employee’s supervisor may deny approval for the request. If the supervisor would like to grant the requested leave time, it must be approved by the City Manager.

G. Approval of PTO Leave Requests

An employee must request PTO in advance in accordance with current Executime Policies and Procedures so conflicts may be avoided, and coverage assured. Approval of PTO is based on the needs of the department and is not guaranteed. Leave requests in excess of two consecutive weeks must be approved by the City Manager.

Excessive unscheduled absences, especially those occurring on the first or last day of the employee’s work week/schedule, may result in disciplinary action up to and including termination.

If an emergency prevents prior approval of leave, the employee must contact his/her immediate supervisor by his/her scheduled start time to report the absence. If the immediate supervisor cannot be reached, the employee should contact and secure the approval of the designated supervisor next in line of authority or the employee’s Department Head.

H. PTO Advances Prohibited

No employee shall be allowed to use PTO that has not already been earned.
I. **PTO Records**

PTO accumulation and usage records for all employees shall be maintained by the timeclock and Payroll. No PTO shall be granted except on the basis of such PTO records.

J. **Sick Leave Bank (SK1)**

This section applies only to those employees who have banked sick leave hours remaining prior to the conversion of the sick leave program on June 1, 2017.

When using these hours, they shall be charged in fifteen (15) minute minimum increments. Should holidays occur during the sick leave period, the holidays shall not be chargeable to banked sick leave.

To receive compensation while absent on sick leave, the employee shall notify his/her immediate supervisor or Department Head prior to his/her scheduled start time to report the absence. An employee operating on a 24-hour basis must notify the department within the time limit established by the department. This provision may be waived if the employee submits evidence that it was impossible to give such notification. The Department Head may request a physician’s statement to verify the illness of an employee or member of an employees’ family.

Sick Bank hours may be used when all PTO has been exhausted and the employee is still out for the reasons listed below:

- Personal injury, pregnancy, illness, or disability not connected with work and also for workers’ compensation and reasons granted under FMLA.
- Medical, dental, optical or chiropractic examination or treatment
- Exposure to a contagious disease which would endanger others as recommended by a physician.
- Illness of a member of the employee’s immediate family which requires the personal care and attention of the employee. The employee’s immediate family shall include the following for either the employee or spouse: parent, sibling, spouse, children, nieces, nephews, step-parent, step-children, step-sibling, half-sibling, father and mother-in-law, brother and sister-in-law, daughter-in-law, son-in-law, aunts, uncles, grandchildren and grandparents.

Banked sick leave shall not be paid if an employee submits a resignation and then prior to the last day of work requests sick leave bank hours, unless a medical certificate is provided certifying that such absence was occasioned by illness that prevented the employee from working. Likewise, employees who have officially provided a future retirement date shall be allowed to use no more than ten (10) days of banked sick leave per calendar year in order to maintain workforce integrity. Additional time may be granted with proper medical certification.

6. **BACKGROUND:** (WHY IS THE ACTION NECESSARY, WHAT GOAL WILL BE ACHIEVED)  
   Due to the highly competitive labor market following COVID-19, the City has been unable to fill several vacant positions.  
   This shortage has left some employees to carry an extraordinary burden of working in positions without adequate support of co-workers as needed. These employees are left doing the work of two or three employees and are vital to the City. To incentivize this continued extra effort, the Human Resources director proposed a Critical Staffing Shortage Pay program to offer additional pay for those working without help as budgeted by the City Council.  
   Resolution 19-107 extends a program created one year ago for Critical Staffing Shortage Pay. The Resolution would, under certain conditions, allow nonsupervisory full-time employees working in departments staffed below 75% of their budgeted levels to receive an additional $80.00 per pay period, and departments staffed below 50% of their budgeted levels receive $160.00 per pay period. The program requires the shortage to be certified by the City Manager, positions be advertised, and ceases 60 days following staffing levels reaching 75%. There is an exclusion that newly budgeted positions cannot trigger incentive pay.  
   Staff recommends approval.
RESOLUTION 20-159

A RESOLUTION OF THE CITY OF PANAMA CITY BEACH, FLORIDA, RENEWING A CRITICALLY STAFFING SHORTAGE INCENTIVE PAY PILOT PROGRAM FOR A PERIOD OF ONE YEAR FROM THE DATE OF THIS RESOLUTION.

BE IT RESOLVED by the City Council of the City of Panama City Beach that the City Manager is hereby authorized to implement a Critically Staffing Shortage Incentive Pay Pilot Program for a period of one (1) year from the date of this Resolution under the following terms:

1. A "Critical Staffing Shortage" shall exist when the percentage of budgeted positions of any individual department’s nonsupervisory positions reaches below 75%. The City Manager shall, by Executive Order, certify the existence of a Critical Staffing Shortage. The Executive Order shall identify the department and positions affected and request that the Civil Service Board take all actions reasonably necessary to fill the vacant positions from the Executive Order.

2. From the effective date of the Executive Order certifying that more than 25% of the non-supervisory full-time positions are vacant all non-supervisory full-time employees in the affected department(s) shall receive Critical Staffing Shortage Pay in the amount of $80.00 per pay period. If the percentage of budgeted positions of any individual department’s nonsupervisory positions reaches below 50% then the Critical Staffing Shortage Pay shall be $160.00 per pay period. Critical Staffing Shortage Pay shall cease sixty (60) days from the physical start date of any non-supervisory full time employee whose hire or transfer renders the department staffed at 75% or above. The aforementioned employee shall not be eligible for Critical Staffing Shortage Pay within sixty (60) days of his or her start date.

THIS RESOLUTION shall take effect immediately upon its passage.

6. **BACKGROUND: (WHY IS THE ACTION NECESSARY, WHAT GOAL WILL BE ACHIEVED)**

   The City's current janitorial services contract has reached the end of its two year term. A new scope of services was developed by City staff and a solicitation for janitorial services bids was publicly advertised. Five buildings are included in the solicitation. Three are located at the main administrative campus (City Hall, Police Department and Public Services) and two are on North Gulf Blvd (WWTP Operations and Utilities/Public Works maintenance offices).

   Six potential bidders attended to mandatory pre-bid meeting and all six submitted bids before the required date and time. Staff has reviewed the bids, and recommends awarding the contract to the low bidder, Cleaning Plus Janitorial Services, LLC, for a two-year term in the approximate annual amount of $60,390 with an option to renew for a second two-year term should the City choose to do so. Actual annual expenditures may vary slightly, as there are a series of unit prices in the bid proposal where the City can add or reduce particular services based on need during the term of the contract. Costs will be allocated to each City department based on the costs for the buildings they occupy. All payment for services will be based on the bid unit prices.

   Attached for your review is a copy of the bid tabulation showing the expected average annual costs at each building, and a draft agreement with the low bidders unit costs.

JANITORIAL SERVICES CONTRACT

AGREEMENT

THIS JANITORIAL SERVICES AGREEMENT is made and entered into this day of______________, 2020, by and between the CITY OF PANAMA CITY BEACH, FLORIDA, a municipal corporation (City) and Cleaning Plus Janitorial Services, LLC (Contractor).

PREMISES

1. SCOPE OF SERVICES

Contractor will provide janitorial services for five (5) City buildings, as more particularly described in the Scope of Work.

If the Contractor believes that any particular work/service is not within the scope of work/service of the contract, is a material change, or will otherwise require more compensation to the Contractor, the Contractor must immediately notify the City's Representative in writing of this belief. If the City's Representative believes that the particular work/service is within the scope of the contract as written, the Contractor will be ordered to and shall continue with the work/service as changed and at the cost stated for the work/service within the scope. The Contractor must assert its right to an adjustment under this clause within thirty (30) days from the date of receipt of the written order.

2. COMPENSATION

As compensation for the services contemplated herein and performance rendered by Contractor of its duties and obligations hereunder, City shall pay Contractor according to the attached BID FORM. The City shall pay to the Contractor as full consideration for the performance of the work required by this Agreement, at the UNIT PRICES contained in the Contractor's cost proposal, upon the basis of actual measured quantities as the same may be finally determined by the City Manager or his designee(s).

a. Extra and/or Additional Work Changes. Should City at any time during the progress of said work request any alterations, deviations, additions or omissions from said specifications or other contract documents, it shall be at liberty to do so by written authorization to Contractor, and the same shall in no way affect or make void the Agreement. The value of such will be added to or deducted from the contract bid price, as the case may be, by a fair and reasonable valuation.
3. PAYMENT

The “closure date” for work to be invoiced for payment shall be the [30th] of each calendar month, except February where it shall be the 28th. The Contractor shall submit an itemized invoice to the City for the amount of work satisfactorily completed as of the closure date. The invoice(s) shall be delivered to the end user departments no later than three days after the closure date of each calendar month.

4. TERM

Unless terminated sooner pursuant to the provision of the Termination clauses contained in paragraph 5, and subject to the availability of funds appropriated for this purpose, this Agreement shall take effect on the day and year first above written for an initial term of two years, and the City shall have the unilateral option to extend the initial term for one, two year renewal period by written notice delivered to the Contractor before the expiration of the initial term.

5. TERMINATION OF CONTRACT

A. Termination for Convenience. The City reserves the right to cancel the contract without cause with a minimum thirty (30) days written notice. Upon such termination Contractor shall be entitled to payment, in accordance with the payment provisions, for services rendered up to the termination date and the City shall have no other obligations to Contractor. Contractor shall be obligated to continue performance of contract services, in accordance with this contract, until the termination date and shall have no further obligation to perform services after the termination date. Termination or cancellation of the contract will not relieve the Contractor of any obligations for any deliverables entered into prior to the termination of the contract (i.e., reports, statements of accounts, etc., required and not received). Termination or cancellation of the contract will not relieve the Contractor of any obligations or liabilities resulting from any acts committed by the Contractor prior to the termination of the contract. The Contractor may cancel the contract with ninety (90) days written notice to the City. Failure to provide proper notice may result in the Contractor being barred from future business with the City.

B. Termination for Cause. The City may terminate this Agreement for default without giving the notice set forth in subsection A (above) if the Contractor does not deliver the product or service in accordance with the Contract delivery schedule, or if the Contractor fails to perform in the manner called for in the
Contract or if the Contractor fails to comply with any other provision of the Contract on three or more separate and documented instances. Termination shall be effected by serving a written notice on the Contractor setting forth the manner in which the Contractor is in default. Unless within five (5) working days after the service of such notice such condition or violation shall cease or satisfactory arrangements for the correction thereof be made, the contract shall cease and terminate upon the expiration of said five (5) working days. In such case, Contractor shall not be entitled to receive any further payment until the work is finished.

1. If this Contract is terminated for default, the City, in addition to all other rights afforded by law for Contractor’s breach of Contract, shall have the right to charge Contractor the amount by which the costs of obtaining the services from another source exceed the price specified herein, and the City may offset any such charge against any amounts which may otherwise become payable to Contractor under the Contract.

2. Upon such termination, Contractor will deliver to the City any keys, fobs, or other articles of City property in its possession, for which the City shall make written request at or after termination. Any Contractor equipment and supplies not collected from the supply closets/cabinets within the 5 working day termination period shall be deemed abandoned by the Contractor, and in the lawful possession of the City. The City will pay Contractor for the actual amount due based on unit prices and the quantity of work completed, at the time of cancellation, less damages caused to the City by the acts of the Contractor causing the termination. Notwithstanding the City's right to terminate the Contract for delay in delivery of services, Contractor shall not be liable to the City for any damages thereof if Contractor's delay is due to causes beyond its control, and without its fault or negligence, provided Contractor immediately notifies the City of conditions causing the delay.

6. COMPLIANCE WITH LAWS.

The Contractor shall be responsible to know and to apply all applicable federal and state laws, all local laws, ordinances, rules, regulations, and all orders and decrees of bodies or tribunals having jurisdiction or authority which in any manner affect the work, or which in any way affect the conduct of the work. Contractor shall always observe and comply with all such laws, ordinances, rules, regulations, orders, and decrees. The Contractor shall protect and indemnify City of Panama City Beach and all its officers, agents, servants, or employees against any claim or liability arising from or based on the violation of any such law, ordinance, rule, regulation, order, or decree caused or committed by Contractor, its representatives, sub-contractors, sub-consultants, professional associates, agents, servants, or employees. Additionally, Contractor
shall obtain and maintain at its own expense all licenses and permits to conduct business pursuant to this contract from the federal government, State of Florida, Bay County, or municipalities when legally required, and maintain same in full force and effect during the term of the contract.

7. WARRANTY

The Contractor agrees that, unless otherwise specified, the product and/or service furnished as a result of this invitation and award thereto shall be covered by the most favorable commercial warranty the Contractor gives to any customer for comparable quantities of such products and/or services and that the right and remedies provided herein are in addition to and do not limit any rights afforded to the City by any other provision of the invitation/offer.

8. INSURANCE AND INDEMNIFICATION

a. Contractor shall at its expense maintain in force during the Term the following described insurance on policies and insurers acceptable to the City. All such insurance shall name the City, its officers, employees and agents as additional insured:

iii. Business Automobile Liability Coverage. Coverage shall include bodily injury and property damage and limits shall not be less than $1,000,000 combined single limit for each accident.

iv. Excess or Umbrella Liability Coverage. Coverage shall not be less than $1,000,000 each occurrence and aggregate.

b. City shall at its option and expense maintain in force during the Term such fire, casualty, and extended coverage insurance covering any City owned improvements on the Site as the City may desire.

c. Contractor shall at its option and expense maintain in force during the Term such fire, casualty and extended coverage insurance on Contractor’s personal property located on the Site, including trade fixtures, equipment, machinery,
inventory or other personal property belonging to or in the custody of Contractor, and all such policies may waive any right of subrogation against the City.

d. All coverage maintained by Contractor pursuant to Subparagraph (a) shall be provided by companies registered and licensed to sell insurance in the state of Florida and which may legally provide the coverage set forth herein, and shall be provided by companies reasonably satisfactory to the City and in form and substance reasonably satisfactory to the City, and shall provide that coverage will not be subject to cancellation, termination, revocation or material change except after thirty (30) days' prior written notice to the City.

e. Within thirty days of the date of this agreement, and thereafter upon the written request of the City, Contractor shall furnish to the City such certificates of coverage and certified copies of policies pursuant to subparagraph (a). In order to satisfy this provision, the documentation required by this part must be sent to the following address: Attn: Lori Philput, 17007 Panama City Beach Pkwy. Panama City Beach, FL 32413.

f. Contractor shall indemnify and hold harmless and defend the City and its officers, employees, agents and representatives from and against any and all damages, lawsuits, liabilities, claims, costs and expenses including reasonable attorney's fees ("Damages") arising in whole or in part from: (i) the occupation, use or maintenance of the Site by Contractor or anyone claiming by, through or under Contractor; or (ii) the breach of any of Contractor's representations, warranties, covenants or agreements hereunder, including any Damages arising from the combined fault of Contractor and City, but excluding any Damages arising solely from the negligence or willful misconduct of the City. The covenants contained in this paragraph shall survive the termination of this Agreement.

g. If any third party claim is made against the City that, if sustained, would give rise to indemnification liability of the Contractor under this Agreement, the City shall promptly cause notice of the claim to be delivered to the Contractor and shall afford the Contractor and its counsel, at the Contractor's sole expense, the opportunity to join in defending or compromising the claim. The covenants contained in this paragraph shall survive the termination of this Agreement.

h. Due to the nature of the services to be provided and the potential impact to the City for loss of work supplies, the Contractor cannot disclaim consequential or inconsequential damages related to the performance of this contract. The Contractor shall be responsible and accountable for any and all damages,
directly or indirectly, caused by the actions or inaction of its employees, staff, or sub-consultants. There are no limitations to this liability.

i  ATTORNEY'S FEES

10. REMEDIES

In the event of failure of the Contractor to deliver services in accordance with the contract terms and conditions, the City, after due written notice, may procure the services from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies that the City may have.
