Subject: Utility Department Trailer Mounted
Jet Sewer Cleaner

Staff allocated funds in the FY 2014-2015 utilities budget to purchase a trailer mounted jet sewer cleaner for use by the underground utility division. The existing unit is 10 years old and has reached the end of its useful service life. Bid specifications were prepared and a Request for Bids was publically advertised in the News Herald and on the City website.

Three bidders responded and a bid tabulation is attached for your review. Staff recommends that the Council authorize the City Manager to purchase the jet sewer cleaner from the low bidder, P&H Supply Company, in the the total amount of \$66,077.89.

Upon Council approval, a purchase order will be issued and delivery is expected within 24 weeks thereafter.
