**NOTICE:** Application is hereby made to obtain a permit to do the work and installations as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work will be performed to meet the standards of all laws regulating construction in this jurisdiction. I understand that a separate permit must be secured for work involving ELECTRICAL, MECHANICAL, PLUMBING, WATER HEATERS, SIGNS, POOLS, ROOFING, SHUTTERS, WINDOWS, DOORS, AIR CONDITIONERS, etc. In addition to the requirements of this permit, there may be additional restrictions found in the public records and there may be additional permits required from other governmental entities such as water management districts, local, state or federal agencies.

**OWNER AFFIDAVIT:** I certify that all the foregoing information is accurate and that all work will be done in compliance with all applicable laws regulating construction and zoning.

**WARNING TO OWNER:** YOUR FAILURE TO RECORD A NOTICE OF COMMENCEMENT MAY RESULT IN YOU PAYING TWICE FOR IMPROVEMENTS TO YOUR PROPERTY. A NOTICE OF COMMENCEMENT MUST BE RECORDED AND POSTED ON THE JOB SITE BEFORE THE FIRST INSPECTION. IF YOU INTEND TO OBTAIN FINANCING, CONSULT WITH YOUR LENDER OR AN ATTORNEY BEFORE COMMENCING WORK OR RECORDING YOUR NOTICE OF COMMENCEMENT.

The granting of a permit does not presume to give authority to violate or cancel the provisions of any other local, state or federal law regulating construction or the performance of construction. **DISCLAIMER:** If errors are later discovered, it will be the responsibility of the builder to gain compliance.
