6. BACKGROUND: (WHY IS THE ACTION NECESSARY, WHAT GOAL WILL BE ACHIEVED)

WHY: Growth in the west end of the City service area has necessitated expansion of the existing Lift Station 74. Current station capacity is near its limit with existing demands. The existing City property area is not adequate to allow the needed expansion. A large, planned development on the south side of PCB Parkway at Lake Powell will require expansion of the sewage system capacity. Plans for this development are currently under review by Utilities Department staff.

GOAL: By securing the additional property surrounding the current Lift Station 74 parcel, a new, larger wetwell can be constructed to house larger capacity pumps for increased sewage system capacity in the extreme West end area.

BACKGROUND: City staff have approached the owner of the property as it is currently listed for sale and secured an option to purchase. Terms of this option are a purchase price of $170,000.00 contingent upon City Council approval.

The proposed site is immediately adjacent to the City's existing Lift Station 74 and is approximately .6 acres in size. It is depicted on the map (the subject parcel is outlined in red) accompanying this memo.

(a) X Buyer will pay cash for the Property with no financing contingency.
(b) □ This contract is contingent on Buyer qualifying for and obtaining the commitment(s) or approval(s) specified below ("Financing") within ______ days after Effective Date (Closing Date or 30 days after Effective Date, whichever occurs first, if left blank) ("Financing Period"). Buyer will apply for Financing within ______ days after Effective Date (5 days if left blank) and will timely provide any and all credit, employment, financial, and other information required by the lender. If Buyer, after using diligence and good faith, cannot obtain the Financing within the Financing Period, either party may terminate this contract and Buyer’s deposit(s) will be returned.

(1) □ New Financing: Buyer will secure a commitment for new third party financing for $__________ or ______% of the purchase price at (Check one) □ a fixed rate not exceeding ______% □ an adjustable interest rate not exceeding ______% at origination (a fixed rate at the prevailing interest rate based on Buyer’s creditworthiness if neither choice is selected). (2) □ Seller Financing: Buyer will execute a □ first □ second purchase money note and mortgage to Seller in the amount of $__________ bearing annual interest at ______% and payable as follows:

The mortgage, note, and any security agreement will be in a form acceptable to Seller and will follow forms generally accepted in the county where the Property is located; will provide for a late payment fee and acceleration at the mortgagee’s option if Buyer defaults; will give Buyer the right to prepay without penalty all or part of the principal at any time(s) with interest only to date of payment; will be due on conveyance or sale; will provide for release of contiguous parcels, if applicable; and will require Buyer to keep liability insurance on the Property. With Seller as additional named insured, Buyer authorizes Seller to obtain credit, employment, and other necessary information to determine creditworthiness for the financing. Seller will, within 10 days after Effective Date, give Buyer written notice of whether or not Seller will make the loan.

(3) □ Mortgage Assumption: Buyer will take title subject to and assume and pay existing first mortgage to

Failing which this contract will terminate; and Buyer’s deposit(s) will be returned. If the lender disapproves Buyer, this contract will terminate; and Buyer’s deposit(s) will be returned.

6. Assignability: (Check one) Buyer □ may assign and thereby be released from any further liability under this contract, □ may assign but not be released from liability under this contract, or □ may not assign this contract.

Provided there exists at closing no violation of the foregoing.

Buyer and Seller □ acknowledge receipt of a copy of this page, which is 2 of 7 pages. © Florida Association of Realtors®
(2) ☐ an abstract of title, prepared or brought current by an existing abstract firm or certified as correct by an existing firm. However, if such an abstract is not available to Seller, then a prior owner’s title policy acceptable to the proposed insurer as a basis for issuance of coverage may be used. The prior policy will include copies of all policy exceptions and an update in a format acceptable to Buyer from the policy effective date and certified to Buyer or Buyer’s closing agent together with copies of all documents recited in the prior policy and in the update. If such an abstract or prior policy is not available to Seller, then (1) above will be the title evidence.

(b) Title Examination: After receipt of the title evidence, Buyer will, within ______ days (10 days if left blank) but no later than Closing Date, deliver written notice to Seller of title defects. Title will be deemed acceptable to Buyer if (i) Buyer fails to deliver proper notice of defects or (ii) Buyer delivers proper written notice and Seller cures the defects within ______ days (30 days if left blank) (“Cure Period”) after receipt of the notice. If the defects are cured within the Cure Period, closing will occur within 10 days after receipt by Buyer of notice of such cure. Seller may elect not to cure defects if Seller reasonably believes any defect cannot be cured within the Cure Period. If the defects are not cured within the Cure Period, Buyer will have 10 days after receipt of notice of Seller’s inability to cure the defects to elect whether to terminate this contract or accept title subject to existing defects and close the transaction without reduction in purchase price.

(c) Survey: Buyer may, at Buyer’s expense, have the Property surveyed and must deliver written notice to Seller, within 5 days after receiving survey but not later than 5 days before Closing Date, of any encroachments on the Property, encroachments by the Property’s improvements on other lands, or deed restriction or zoning violations. Any such encroachment or violation will be treated in the same manner as a title defect and Seller’s and Buyer’s obligations will be determined in accordance with Paragraph 7(b).

(d) Ingress and Egress: Seller warrants that the Property presently has ingress and egress.

8. Property Condition: Seller will deliver the Property to Buyer at closing in its present “as is” condition, with conditions resulting from Buyer’s Inspections and casualty damage, if any, excepted. Seller will not engage in or permit any activity that would materially alter the Property’s condition without the Buyer’s prior written consent.

(a) Inspections: (Check (1) or (2))

(1) ☐ Feasibility Study: Buyer will, at Buyer’s expense and within ______ days (30 days if left blank) (“Feasibility Study Period”) after Effective Date and in Buyer’s sole and absolute discretion, determine whether the Property is suitable for Buyer’s intended use. During the Feasibility Study Period Buyer may conduct a Phase I environmental assessment and any other tests, analyses, surveys, and investigations (“Inspections”) that Buyer deems necessary to determine whether the Property satisfies Buyer’s requirements. During the Feasibility Study Period, Buyer will deliver its agents, contractors, and assigns the right to enter the Property at any time during the Feasibility Study Period for the purpose of conducting Inspections, provided, however, that Buyer, its agents, contractors, and assigns enter the Property and conduct Inspections at their own risk. Buyer will indemnify and hold Seller harmless from losses, damages, costs, claims, and expenses of any nature, including attorneys’ fees, expenses, and liability incurred in application for rezoning or related proceedings, and from liability to any person, arising from the conduct of any and all Inspections or any work authorized by Buyer. Buyer will not engage in any activity that could result in a construction lien being filed against the Property without Seller’s prior written consent. If this transaction does not close, Buyer will, at Buyer’s expense. (i) repair all damages to the Property resulting from the Inspections and (ii) release to Seller all reports and other work generated as a result of the Inspections.

Before expiration of the Feasibility Study Period, Buyer must deliver written notice to Seller of Buyer’s determination of whether or not the Property is acceptable. Buyer’s failure to comply with this notice requirement will constitute acceptance of the Property as suitable for Buyer’s intended use in its “as is” condition. If the Property is unacceptable to Buyer and written notice of this fact is timely delivered to Seller, this contract will be deemed terminated, and Buyer’s deposit(s) will be returned.

(5) ☒ No Feasibility Study: Buyer is satisfied that the Property is suitable for Buyer’s purposes, including being satisfied that either public sewerage and water are available to the Property or the Property will be approved for the installation of a well and/or private sewerage disposal system and that existing zoning

[Signatures and acknowledgment for receipt of a copy of this page, which is 3 of 7 pages]
and other pertinent regulations and restrictions, such as subdivision or deed restrictions, concurrency, growth management, and environmental conditions, are acceptable to Buyer. This contract is not contingent on Buyer conducting any further investigations.

(b) Government Regulations: Changes in government regulations and levels of service which affect Buyer’s intended use of the Property will not be grounds for terminating this contract if the Feasibility Study Period has expired or if Paragraph 8(a)(2) is selected.

(c) Flood Zone: Buyer is advised to verify by survey, with the lender, and with appropriate government agencies which flood zone the Property is in, whether flood insurance is required, and what restrictions apply to improving the Property and rebuilding in the event of casualty.

(d) Coastal Construction Control Line ("CCCL"): If any part of the Property lies seaward of the CCCL as defined in Section 161.053, Florida Statutes. Seller will provide Buyer with an affidavit or survey as required by law delineating the line's location on the Property, unless Buyer waives this requirement in writing. The Property being purchased may be subject to coastal erosion and to federal, state, or local regulations that govern coastal property, including delineation of the CCCL, rigid coastal protection structures, beach nourishment, and the protection of marine turtles. Additional information can be obtained from the Florida Department of Environmental Protection, including whether there are significant erosion conditions associated with the shore line of the Property being purchased.

☐ Buyer waives the right to receive a CCCL affidavit or survey.

9. Closing Procedure; Costs: Closing will take place in the county where the Property is located and may be conducted by mail or electronic means. If title insurance insures Buyer for title defects arising between the title binder effective date and recording of Buyer’s deed, closing agent will disburse at closing the net sale proceeds to Seller (in local cashier’s check if Seller requests in writing at least 5 days before closing) and brokerage fees to Broker as per Paragraph 19. In addition to other expenses provided in this contract, Seller and Buyer will pay the costs indicated below.

(a) Seller Costs:
- Taxes on deed
- Recording fees for documents needed to cure title
- Title evidence (if applicable under Paragraph 7)
- Other:

(b) Buyer Costs:
- Taxes and recording fees on notes and mortgages
- Recording fees on the deed and financing statements
- Loan expenses
- Title evidence (if applicable under Paragraph 7)
- Lender’s title policy at the simultaneous issue rate
- Inspections
- Survey
- Insurance
- Other:

(c) Prorations: The following items will be made current and prorated as of the day before Closing Date: real estate taxes (including special benefit (tax liens imposed by a CDD), interest, bonds, assessments, leases, and other Property expenses and revenues. If taxes and assessments for the current year cannot be determined, the previous year’s rates will be used with adjustment for any exemptions.

(d) Special Assessment by Public Body: Regarding special assessments imposed by a public body, Seller will pay (i) the full amount of liens that are certified, confirmed, and ratified before closing and (ii) the amount of the last estimate of the assessment if an improvement is substantially completed as of Effective Date but has not resulted in a lien before closing; and Buyer will pay all other amounts. If special assessments may be paid in installments. ☐ Seller ☐ Buyer (Buyer if left blank) will pay installments due after closing. If Seller is checked, Seller will pay the assessment in full before or at the time of closing. Public body does not include a Homeowners’ or Condominium Association.

(e) PROPERTY TAX DISCLOSURE SUMMARY: BUYER SHOULD NOT RELY ON THE SELLER’S CURRENT PROPERTY TAXES AS THE AMOUNT OF PROPERTY TAXES THAT BUYER MAY BE OBLIGATED TO PAY IN THE YEAR SUBSEQUENT TO PURCHASE. A CHANGE OF OWNERSHIP OR PROPERTY IMPROVEMENTS TRIGGERS REASSESSMENTS OF THE PROPERTY THAT COULD RESULT IN HIGHER PROPERTY TAXES. IF YOU HAVE ANY QUESTIONS CONCERNING VALUATION, CONTACT THE COUNTY PROPERTY APPRAISER’S OFFICE FOR FURTHER INFORMATION.
(f) Foreign Investment in Real Property Tax Act ("FIRPTA"): If Seller is a "foreign person" as defined by
FIRPTA, Seller and Buyer will comply with FIRPTA, which may require Seller to provide additional cash at
closing.

(g) 1031 Exchange: If either Seller or Buyer wish to enter into a like-kind exchange (either simultaneously with
closing or after) under Section 1031 of the Internal Revenue Code ("Exchange"), the other party will
cooperate in all reasonable respects to effectuate the Exchange including executing documents, provided,
however, that the cooperating party will incur no liability or cost related to the Exchange and that the closing
will not be contingent upon, extended, or delayed by the Exchange.

10. Computation of Time: Calendar days will be used when computing time periods, except time periods of 5 days
or less. Time periods of 5 days or less will be computed without including Saturday, Sunday, or national legal
holidays specified in 5 U.S.C. 6103(a). Any time period ending on a Saturday, Sunday, or national legal holiday
will extend until 5:00 p.m. (where the Property is located) of the next business day. Time of essence in
this contract.

11. Risk of Loss; Eminent Domain: If any portion of the Property is materially damaged by casualty before closing
or Seller negotiates with a governmental authority to transfer all or part of the Property in lieu of eminent domain
proceedings or an eminent domain proceeding is initiated, Seller will promptly inform Buyer. Either party may
terminate this contract by written notice to the other within 10 days after Buyer's receipt of Seller's notification,
and Buyer's deposit(s) will be returned, failing which Buyer will close in accordance with this contract and
receive all payments made by the governmental authority or insurance company, if any.

12. Force Majeure: Seller or Buyer will not be required to perform any obligation under this contract or be liable to
each other for damages so long as the performance or non-performance of the obligation is delayed, caused, or
prevented by an act of God or force majeure. An "act of God or "force majeure" is defined as hurricanes,
earthquakes, floods, fire, unusual transportation delays, wars, insurrections, and any other cause not reasonably
within the control of Seller or Buyer and which by the exercise of due diligence the non-performing party is
unable in whole or in part to prevent or overcome. All time periods, including Closing Date, will be extended for
the period that the act of God or force majeure is in place. However, in the event that such act of God or force
majeure event continues beyond 30 days, either party may terminate this contract by delivering written notice to
the other, and Buyer's deposit(s) will be returned.

13. Notices: All notices will be in writing and delivered to the parties and Broker by mail, personal delivery, or
electronic means. Buyer's failure to timely deliver written notice to Seller, when such notice is required by
this contract, regarding any contingency will render that contingency null and void, and this contract will
be construed as if the contingency did not exist. Any notice, document, or item delivered to or received
by an attorney or licensee (including a transactions broker) representing a party will be as effective as if
delivered to or received by that party.

14. Complete Agreement; Persons Bound: This contract is the entire agreement between Seller and Buyer.
Except for brokerage agreements, no prior or present agreements will bind Seller, Buyer, or Broker
unless incorporated into this contract. Modifications of this contract will not be binding unless in writing, signed
or initialed, and delivered by the party to be bound. Electronic signatures will be acceptable and binding. This
contract, signatures, initials, documents referenced in this contract, counterparts, and written modifications
communicated electronically or on paper will be acceptable for all purposes, including delivery, and will be
binding. Handwritten or typewritten terms inserted in or attached to this contract prevail over preprinted terms. If
any provision of this contract is or becomes invalid or unenforceable, all remaining provisions will continue to be
fully effective. Seller and Buyer will use diligence and good faith in performing all obligations under this contract.
This contract will not be recorded in any public record. The terms "Seller," "Buyer," and "Broker" may be singular
or plural. This contract is binding on the heirs, administrators, executors, personal representatives, and assigns, if
permitted, of Seller, Buyer, and Broker.

15. Default and Dispute Resolution: This contract will be construed under Florida law. This Paragraph will survive
closing or termination of this contract.
(a) Seller Default: If Seller fails, neglects, or refuses to perform Seller's obligations under this contract, Buyer
may elect to receive a return of Buyer's deposit(s) without thereby waiving any action for damages resulting
from Seller's breach and may seek to recover such damages or seek specific performance. Seller will also
be liable for the full amount of the brokerage fee.

Buyer: ___________________________ Seller: ___________________________

VAC-10  Rev 8/14  © Florida Association of Realtors®
(b) Buyer Default: If Buyer fails, neglects, or refuses to perform Buyer's obligations under this contract, including payment of deposit(s), within the time(s) specified. Seller may elect to recover and retain the deposit(s), paid and agreed to be paid, for the account of Seller as agreed upon liquidated damages, consideration for execution of this contract, and in full settlement of any claims. whereupon Seller and Buyer will be relieved from all further obligations under this contract: or Seller, at Seller's option, may proceed in equity to enforce Seller's rights under this contract.

16. Escrow Agent; Closing Agent: Seller and Buyer authorize Escrow Agent and closing agent (collectively “Agent”) to receive, deposit, and hold funds and other items in escrow and, subject to Collection, disburse them upon proper authorization and in accordance with Florida law and the terms of this contract, including disbursing brokerage fees. "Collection" or “Collected” means any checks tendered or received have become actually and finally collected and deposited in the account of Agent. The parties agree that Agent will not be liable to any person for misdelivery of escrowed items to Seller or Buyer, unless the misdelivery is due to Agent's willful breach of this contract or gross negligence. If Agent interpleads the subject matter of the escrow, Agent will pay the filing fees and costs from the deposit and will recover reasonable attorneys' fees and costs to be paid from the escrowed funds or equivalent and charged and awarded as court costs in favor of the prevailing party.

17. Professional Advice; Broker Liability: Broker advises Seller and Buyer to verify all facts and representations that are important to them and to consult an appropriate professional for legal advice (for example, interpreting this contract, determining the effect of laws on the Property and this transaction, status of title, foreign investor reporting requirements, the effect of property lying partially or totally seaward of the CCCL, etc.) and for tax, property condition, environmental, and other specialized advice. Buyer acknowledges that Broker does not reside in the Property and that all representations (oral, written, or otherwise) by Broker are based on Seller representations or public records. Buyer agrees to rely solely on Seller, professional inspectors, and government agencies for verification of the Property condition and facts that materially affect Property value. Seller and Buyer respectively will pay all costs and expenses, including reasonable attorneys' fees at all levels, incurred by Broker and Broker's officers, directors, agents, and employees in connection with or arising from Seller's or Buyer's misstatement or failure to perform contractual obligations. Seller and Buyer hold harmless and release Broker and Broker's officers, directors, agents, and employees from all liability for loss or damage based on (i) Seller's or Buyer's misstatement or failure to perform contractual obligations; (ii) the use or display of listing data by third parties, including, but not limited to, photographs, images, graphics, video recordings, virtual tours, drawings, written descriptions, and remarks related to the Property; (iii) Broker's performance, at Seller's or Buyer's request, of any task beyond the scope of services regulated by Chapter 475, Florida Statutes, as amended, including Broker's referral, recommendation, or retention of any vendor; (iv) products or services provided by any vendor; and (v) expenses incurred by any vendor. Seller and Buyer each assume full responsibility for selecting and compensating their respective vendors. This Paragraph will not relieve Broker of statutory obligations. For purposes of this Paragraph, Broker will be treated as a party to this contract. This Paragraph will survive closing.

18. Commercial Real Estate Sales Commission Lien Act: If the Property is commercial real estate as defined by Section 475.701, Florida Statutes, the following disclosure will apply: The Florida Commercial Real Estate Sales Commission Lien Act provides that when a broker has earned a commission by performing licensed services under a brokerage agreement with you, the broker may claim a lien against your net sales proceeds for the broker's commission. The broker’s lien rights under the act cannot be waived before the commission is earned.

19. Brokers: The brokers named below are collectively referred to as "Broker." Instruction to closing agent:

Seller and Buyer direct closing agent to disburse at closing the full amount of the brokerage fees as specified in separate brokerage agreements with the parties and cooperative agreements between the Brokers, except to the extent Broker has retained such fees from the escrowed funds. This Paragraph will not be used to modify any MLS or other offer of compensation made by Seller or Seller's Broker to Buyer's Broker.
