<td>The Fire Department has been donated a light rescue response truck and 30' enclosed trailer from Bay County Emergency Services. This asset was previously the Region 1 Mass Casualty Incident Unit for the State of Florida. The Fire Department has requested this asset for our special events previously and with the frequency of the events and our general nature of proximity to the Northwest Florida International Beaches airport, seemed only logical for us to receive the asset from the county for efficiency of response. This asset will provide immediate medical care for over 100 medical patients in a medium to large scale incident. We have agreed to respond county wide to any incident requiring the asset along with Bay County Emergency Services. This asset will provide much needed equipment and by it being donated, save the city in excess of $150,000.00 for the truck, trailer and equipment. Bay County Chief Mark Bowen and Bay County EMS Chief Corky Young were instrumental in working with us in acquiring this asset as we all continue to strive to provide the best possible care to our citizens and visitors.</td>

### 6. Background:

**Why is the action necessary, what goal will be achieved?**

Rezoning ordinances are type II applications for which a quasi-judicial hearing is required by law. For matters requiring a quasi-judicial hearing, the city's land development code requires decision making bodies to enter an order which contains findings of fact and conclusions of law in support of its decision.

On July 13, 2017, the city held a quasi-judicial hearing on Ordinance 1418, ultimately acting to approve the rezoning of a .293 acre parcel of land from conservation to commercial high intensity. An order reciting the facts and law arising from that hearing are attached for your review.

If the order appears accurate, it may be approved by motion. If any portion of the order appears inaccurate or incomplete, it should be pulled from the consent agenda so that the order may be discussed and amended as necessary on the regular agenda.
CITY COUNCIL OF THE
CITY OF PANAMA CITY BEACH

IN RE: REQUEST TO REZONE .293 ACRES OF LAND FROM CONSERVATION (C) TO COMMERCIAL HIGH INTENSITY (CH)
Submitted by Fortuna Investments, LLC
A portion of PARCEL NO. 34031-010-000
PROPERTY LOCATED at 11500 Hutchison Boulevard
PANAMA CITY BEACH, FLORIDA

QUASI-JUDICIAL HEARING on ADOPTION of ORDINANCE 1418

ORDER

The CITY COUNCIL OF THE CITY OF PANAMA CITY BEACH, having received testimony and reviewed the exhibits produced at the Quasi-Judicial Hearings held on this matter on July 13, 2017, hereby makes the following Findings of Fact and Conclusions of Law.

FINDINGS OF FACT

1. Upon original application of Robert Carroll, agent for Fortuna Investments and Land Holding, LLC, the owner of 21.8 acres of real property located at 11500 Hutchison Boulevard, Panama City Beach, FL, to rezone a 10’ strip on the easternmost portion of such parcel from Conservation to Commercial High Intensity, the City’s Planning Board held a properly advertised Quasi-Judicial Hearing to consider the request on May 8, 2017. At the conclusion of the hearing, the Board by a vote of 5 to 2 recommended approval of the request, which recommendation was incorporated into the Planning Board’s Order, Finding of Fact and Conclusions of Law dated May 15, 2017.

2. The City Council held a first reading of the captioned ordinance embodying the request on June 8, 2017. The City Council held a properly advertised second reading and Quasi Judicial Hearing on the ordinance embodying the request on July 13, 2017, which the Applicant’s agent did attend, and at which competent substantial evidence consisting of
testimony and documentation was received. Public comment on the rezoning ordinance was invited but not received at this hearing.

3. The City Planner testified that the requested zoning designation is consistent in all respects with the City’s Comprehensive Plan and that the request complies with all the procedural requirements of the City’s Land Development Code.

4. The City Planner testified the zoning designation requested would not result in an increase in impacts on local or state facilities, and was compatible with adjacent properties.

5. Robert Carroll presented evidence that the requested zoning designation is in the public interest because it will maintain some buffer between the development of the parent parcel and the adjacent Palm Cove Subdivision.

6. No evidence was presented to establish that maintaining the existing zoning classification with respect to the subject property will accomplish a legitimate public purpose.

**CONCLUSIONS OF LAW**

7. Pursuant to Section 166.041(3)(c), Florida Statutes and Sections 10.04.03 and 10.07.02 of the City’s Land Development Code, the City Council has jurisdiction to conduct a quasi-judicial hearing on this matter and determine whether the request should be granted by adoption of the captioned ordinance.

8. The proposed rezoning request complies with all procedural requirements of the City’s Land Development Code.

9. The requested rezoning designation is consistent with the City’s comprehensive Plan.

**THEREFORE, IT IS ORDERED AND ADJUDGED** that the subject rezoning request is hereby **GRANTED** and accordingly, the captioned Ordinance shall be **ADOPTED**.

Parties with standing have the right to appeal this decision by certiorari to the Fourteenth Judicial Circuit Court within thirty (30) days of the date of this Order.
If any part of this Order is deemed invalid or unlawful, the invalid or unlawful part shall be severed from this Order and the remaining parts shall continue to have full force and effect.

Mr. Mario Gisbert
City of Panama City Beach, Florida
110 South Arnold Road
Panama City Beach, Florida 32413

We are pleased to confirm our understanding of the services we are to provide City of Panama City Beach, Florida for the year ended September 30, 2017. We will audit the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements, of City of Panama City Beach, Florida as of and for the year ended September 30, 2017. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management’s discussion and analysis (MD&A), to supplement City of Panama City Beach, Florida’s basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to City of Panama City Beach, Florida’s RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by U.S. generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1) Management’s Discussion and Analysis.
2) Schedule of Analysis of Funding Progress – Pension Trust Funds.
3) Schedule of Contributions from Employer and Other Entity’s Contributions – Pension Trust Funds.
4) Schedule of Actuarial Considerations – Pension Trust Funds.
5) Schedules of Other Post-employment Benefits (OPEB).

We have also been engaged to report on supplementary information other than RSI that accompanies City of Panama City Beach, Florida’s financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will
provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditor's report on the financial statements:

1) Combining and Individual Non-major Fund Financial Statements.

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. The objective also includes reporting on—

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with Government Auditing Standards.

- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

The Government Auditing Standards report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. We will issue written reports upon completion of our Single Audit. We will issue written reports upon completion of our Single Audit. Our reports will be addressed to Council of City of Panama City Beach, Florida. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any
reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

Audit Procedures—General
An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of abuse is subjective, Government Auditing Standards do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and Government Auditing Standards. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures—Internal Control
Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and
detecting errors and fraud that are material to the financial statements and to preventing and
detecting misstatements resulting from illegal acts and other noncompliance matters that have a
direct and material effect on the financial statements. Our tests, if performed, will be less in scope
than would be necessary to render an opinion on internal control and, accordingly, no opinion will
be expressed in our report on internal control issued pursuant to Government Auditing Standards.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate
the effectiveness of the design and operation of controls that we consider relevant to preventing or
detecting material noncompliance with compliance requirements applicable to each major federal
award program. However, our tests will be less in scope than would be necessary to render an
opinion on those controls and, accordingly, no opinion will be expressed in our report on internal
control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant
deficiencies or material weaknesses. However, during the audit, we will communicate to
management and those charged with governance internal control related matters that are required
to be communicated under AICPA professional standards, Government Auditing Standards, and the
Uniform Guidance.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of
material misstatement, we will perform tests of City of Panama City Beach, Florida’s compliance
with provisions of applicable laws, regulations, contracts, and agreements, including grant
agreements. However, the objective of those procedures will not be to provide an opinion on
overall compliance and we will not express such an opinion in our report on compliance issued
pursuant to Government Auditing Standards.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable
assurance about whether the auditee has complied with federal statutes, regulations, and the
terms and conditions of federal awards applicable to major programs. Our procedures will consist
of tests of transactions and other applicable procedures described in the OMB Compliance

Engagement Administration, Fees, and Other

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include with the reporting package you will submit to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors' reports or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audits.

We will provide copies of our reports to the City; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Carr, Riggs, & Ingram, LLC and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to a cognizant or grantor agency pursuant to authority given it by law or regulation or its
designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Carr, Riggs, & Ingram, LLC personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the City. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Richard Moreira is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them. Our fee for these services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses, will not exceed $103,000 for the fiscal year ending September 30, 2017, and thereafter upon mutual consent, the engagement may be renewed at a fee mutually agreed upon. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our reports. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

MAJESTIC LANDSCAPE AND IRRIGATION LICENSE AGREEMENT

THIS MAJESTIC LANDSCAPE AND IRRIGATION LICENSE AGREEMENT (this Agreement) is made this _____ day of ____________, 2017, by and between MAJESTIC BEACH RESORT COMMUNITY ASSOCIATION, INC., a Florida corporation (Licensee), with an address for notices of 11212 Front Beach Road, Panama City Beach, FL 32407, and the CITY OF PANAMA CITY BEACH, FLORIDA (Licensor or City), with an address for notices of 110 S. Arnold Road, Panama City Beach, FL 32413.

NOW, THEREFORE, in consideration of Ten Dollars ($10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Grant of License. Licensor hereby grants Licensee, its agents, licensees and its invitees a non-exclusive, revocable license across the License Area depicted in Exhibit A attached hereto and incorporated herein, and as more particularly described below, for the sole purpose of maintaining landscaping which may be located in the City's right-of-way lying adjacent to Licensee's property. The License Area is located on both the south and north side of Front Beach Road adjacent to Licensee's property. More specifically, the License Area consists of the area between (i) Licensee's real property at 10811 Front Beach Road, 10900 Front Beach Road, and 10901 Front Beach Road and (ii) the nearest street curb on Front Beach Road or Leary Drive that is parallel to Licensee's property line and which curb may be relocated at Licensor's discretion.

2. Term. The term of this License is twenty years, unless sooner terminated in either party's unfettered discretion as hereunder provided.

3. Use. The License Area may be used by Licensee solely for installing, maintaining, repairing, replacing and accessing landscaping, natural vegetation and sprinklers, as the same shall be located or relocated by said City, upon, over and across the License Area. Licensee shall, at its expense and at all times during the Term, maintain the License Area in a clean, neat and safe condition, and shall remove any trash, litter or debris in the License Area. As part of its current right-of-way upgrade, the City intends to install the irrigation heads, valves, wiring, and related equipment that the City previously planned for this area, but at Licensee's request will connect the new irrigation equipment to Licensee's potable water system instead of to well water that will be used to irrigate other nearby locations in the right-of-way. Irrigation meters and wire tie in locations will be as provided on Exhibit B, attached hereto and incorporated herein. Licensee will responsible for the cost of potable water at the City's standard rates, as may be adjusted from time to time. Licensee shall have no other right to alter existing improvements or make any improvements to the License Area without the City's prior consent. Licensee understands that Licensor is in the process of upgrading the right-of-way in and around the License Area and Licensee agrees that Licensor shall not be liable
for any damage or removal of landscaping and vegetation as part of that right-of-way upgrade project. Furthermore, Licensor shall not be liable for future damage or removal of landscaping that occurs as part of any street or sidewalk maintenance or construction project, utilities maintenance or construction project, or any similar projects.

4. **Backflow Preventers.** As part of its current right-of-way upgrade, Licensor will be excavating the area where Licensee’s irrigation backflow preventers are located. Licensor will relocate or replace these irrigation backflow preventers at its own cost. Thereafter, Licensee shall be responsible for all costs of maintenance or replacement.

5. **Indemnification.** Licensee does hereby agree to indemnify, defend and hold harmless Licensor and its employees, agents and representatives, harmless from any loss, damage, injury, claim, liability, demand, cost and expense (including legal expense) arising out of or connected with the use of the License Area.

6. **Termination.** Either party may terminate this License by giving the other party ninety (90) days written notice of such termination. Upon the ninetieth day after receipt of such notice of termination, this License shall be deemed terminated and of no further force and effect, it being understood by the parties that this is a revocable license.

7. Nothing herein shall be construed to vacate, abandon or diminish whatever legal or equitable right or title the City of Panama City Beach may have in the License Area.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first above written.

6. BACKGROUND: (WHY IS THE ACTION NECESSARY, WHAT GOAL WILL BE ACHIEVED)
Every year the Public Works Department is tasked with resurfacing roadways within City limits that are in need of repair or showing deterioration from normal traffic wear. This following roads were selected for repair this FY 2017:

- Eagle Drive (From Fairway Blvd. to Eagle Drive Intersection)
- Fairway Boulevard (From Fairway Circle to Back Beach Road)
- Fairway Circle (Entire Road)
- Birdie Lane (Entire Road)
- Oleander Drive (Entire Road)
- Lyndell Lane (From Back Beach Road to South Senior Center Driveway)
- Seclusion Circle (From Back Beach Road to Seclusion Drive)

A solicitation for construction bids was publicly advertised and six bidders responded. Staff has reviewed the bids, and the low bidder was GAC Contracting for $603,536.20 plus $20,922.00 for additive alternative #9 for speed humps for a total contract amount of $624,458.20. The street resurfacing budget for FY 2017 is $603,705.00. Therefore it is necessary to prepare a budget amendment in order to let the entire contract.

Funds are available in reserves to increase the budget to $678,705.00. This provides a contingency of $54,246.80 for any unforeseen circumstances that come up during construction. If this occurs this would require City staff approval for changes due to areas in which the roadway base material condition is unknown. Attached is a copy of the bid tabulation, a portion of the bid proposal form, and a draft agreement.

12. Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by this Agreement.

13. Should any provision of the Agreement be determined by a court with jurisdiction to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

14. Unless the context of this Agreement otherwise clearly requires, references to the plural include the singular, references to the singular include the plural. The term "including" is not limiting, and the terms "hereof", "herein", "hereunder", and similar terms in this Agreement refer to this Agreement as a
whole and not to any particular provision of this Agreement, unless stated otherwise. Additionally, the parties hereto acknowledge that they have carefully reviewed this Agreement and have been advised by counsel of their choosing with respect thereto, and that they understand its contents and agree that this Agreement shall not be construed more strongly against any party hereto, regardless of who is responsible for its preparation.

15. For this Project, OWNER has designated a Project Representative to assist OWNER with respect to the administration of this Agreement. The Project Representative to be utilized by OWNER for this Project shall be Paul Casto, Public Works Director.

16. CONTRACTOR acknowledges and agrees that no interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which the OWNER, PROJECT REPRESENTATIVE, or ENGINEER may be responsible, in whole or in part, shall relieve CONTRACTOR of its duty to perform or give rise to any right to damages or additional compensation from OWNER. CONTRACTOR expressly acknowledges and agrees that it shall receive no damages for delay. CONTRACTOR's sole remedy, if any, against OWNER will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This section shall expressly apply to claims for early completion, as well as to claims based on late completion. Notwithstanding the foregoing, if the Work is delayed due to the fault or neglect of OWNER or anyone for whom OWNER is liable, and such delays have a cumulative total of more than 90 calendar days, CONTRACTOR may make a claim for its actual and direct delay damages accruing after said 90 calendar days. Except as expressly set forth in this section, in no event shall OWNER be liable to CONTRACTOR whether in contract, warranty, tort (including negligence or strict liability) or
otherwise for any acceleration, soft costs, lost profits, special, indirect, incidental, or consequential damages of any kind or nature whatsoever.

17. INSURANCE - BASIC COVERAGES REQUIRED
The CONTRACTOR shall procure and maintain the following described insurance on policies and with insurers acceptable to OWNER. Current Insurance Service Office (ISO) policies, forms, and endorsements or equivalents, or broader, shall be used where applicable.

These insurance requirements shall not limit the liability of the CONTRACTOR. The insurance coverage and limits required of CONTRACTOR under this Agreement are designed to meet the minimum requirements of OWNER and the OWNER does not represent these types or amounts of insurance to be sufficient or adequate to protect the CONTRACTOR'S interests or liabilities. CONTRACTOR alone shall be responsible to the sufficiency of its own insurance program.

The CONTRACTOR and the CONTRACTOR'S subcontractors and sub-subcontractors shall be solely responsible for all of their property, including but not limited to any materials, temporary facilities, equipment and vehicles, and for obtaining adequate and appropriate insurance covering any damage or loss to such property. The CONTRACTOR and the CONTRACTOR'S sub-contractors and sub-subcontractors expressly waive any claim against OWNER arising out of or relating to any damage or loss of such property, even if such damage or loss is due to the fault or neglect of the OWNER or anyone for whom the OWNER is responsible. The CONTRACTOR is obligated to include, or cause to be included, provisions similar to this paragraph in all of the CONTRACTOR'S subcontracts and its subcontractors' contracts with their sub-subcontractors.
The CONTRACTOR'S deductibles/self-insured retention's shall be disclosed to OWNER and are subject to OWNER'S approval. They may be reduced or eliminated at the option of OWNER. The CONTRACTOR is responsible for the amount of any deductible or self-insured retention. Any deductible or retention applicable to any claim or loss shall be the responsibility of CONTRACTOR and shall not be greater than $25,000, unless otherwise agreed to, in writing, by OWNER.

Insurance required of the CONTRACTOR or any other insurance of the CONTRACTOR shall be considered primary, and insurance of OWNER shall be considered excess, as may be applicable to claims or losses which arise out of the Hold Harmless, Payment on Behalf of OWNER, Insurance, Certificates of Insurance and any Additional Insurance provisions of this agreement, contract or lease.

WORKERS' COMPENSATION AND EMPLOYERS' LIABILITY INSURANCE COVERAGE

The CONTRACTOR shall purchase and maintain workers' compensation and employers' liability insurance for all employees engaged in the Work, in accordance with the laws of the State of Florida, and, if applicable to the Work, shall purchase and maintain Federal Longshoremen's and Harbor Workers' Compensation Act Coverage. </tbody>
</table>
The CONTRACTOR shall also purchase any other coverage required by law for the benefit of employees.

The CONTRACTOR shall provide to OWNER an Affidavit stating that it meets all the requirements of Florida Statute 440.02 (15) (d).

CONTRACTOR shall purchase and maintain Commercial General Liability Insurance on a full occurrence form. Coverage shall include, but not be limited to, Premises and Operations, Personal Injury, Contractual for this Agreement, Independent Contractors, Broad Form Property Damage, Products and Completed Operation Liability Coverage and shall not exclude coverage for the "X" (Explosion), "C" (Collapse) and "U" (Underground) Property Damage Liability exposures. REGULAR AGENDA
ITEM 2
Approval of Resolution 17-113 amending the City's Sick Leave Pool Guidelines

The City's Sick Leave Pool committee meets at least once a year and more frequently on an as needed basis to consider requests from participants for the use of hours from the sick leave pool. The committee is comprised of employees representing all City departments who are appointed by the City Manager. Ms. White is the administrator of the sick leave pool but is not a voting member of the committee.

At its most recent meeting, the committee inquired as to whether all unused hours remaining after pay-out to a pool participant who terminated employment with the City (for any reason i.e. retirement, resignation, etc.) could be donated to the sick leave pool. Ms. White indicated that she saw no reason this couldn't be done and would make a recommendation to that affect to the City Manager. After discussion with the City Manager, both he and Ms. White support the request of the sick leave pool committee and recommend that the Sick Leave Pool Guidelines be amended to allow for unused hours of a pool participant to be donated to the pool upon separation from service with the City.

This change will have a positive impact upon all City employees participating in the pool. The Sick Leave Pool Guidelines require all participants to contribute 8 hours of their sick leave to the pool when they ask to join the pool. Further, the Sick Leave Pool Guidelines require that ALL participants contribute an additional 8 hours of sick leave to the pool if the pool hours fall below a specified minimum level. By allowing employees who participate in the pool to contribute unused hours (after pay-out) to the Pool it is unlikely that pool participants will ever be required to contribute any of their own sick leave hours to the pool other than the initial 8 hours required when electing to participate.

STAFF RECOMMENDS APPROVAL of the change to the Sick Leave Pool Guidelines proposed by the committee.
RESOLUTION 17-113

A RESOLUTION OF THE CITY OF PANAMA CITY BEACH, FLORIDA, AMENDING THE CITY'S SICK LEAVE POOL GUIDELINES TO PROVIDE FOR CONTRIBUTION BY A MEMBER TO THE SICK LEAVE POOL UPON SEPARATION OF EMPLOYMENT; REPEALING ALL GUIDELINES OR RESOLUTIONS IN CONFLICT HEREWITH, AND PROVIDING AN EFFECTIVE DATE.

BE IT RESOLVED by the City Council of the City of Panama City Beach, from and after the effective date of this Resolution, that the Sick Leave Pool Guidelines attached and incorporated herein as Exhibit A to this Resolution, are hereby amended to provide for contribution by a member to the sick leave pool upon separation of employment.

AND BE IT FURTHER RESOLVED that all guidelines or resolutions or parts of guidelines or resolutions in conflict herewith are repealed to the extent of such conflict.

THIS RESOLUTION shall take effect on ________________.

DIANE FLOYD, CITY CLERK
SICK LEAVE POOL

A. SCOPE

This policy establishes a plan allowing participating full-time employees to pool sick leave for use on the depletion of their personally accrued sick leave, promulgated by the City.

B. ADMINISTRATION OF THE POOL

1. There shall be one sick leave pool established within the City.

2. There shall be an administrator and a committee who shall be jointly responsible for the oversight of the operation of the sick leave pool.

3. The City shall assign a responsible employee to:
   a. Meet on a regular basis with the sick leave committee and review the sick leave accounts of all participating employees:
   b. Maintain in a concise and orderly fashion accurate and reliable written records regarding all functions of the sick leave pool;
   c. Investigate alleged abuse of the sick leave pool;
   d. Receive applications from City employees who elect to participate in the pool.

4. The City Manager shall appoint one employee from each Department to serve on the sick leave pool committee. To be eligible for appointment each employee must be eligible to participate in the sick leave pool and must have elected to do so. Employees appointed to the committee shall serve a one-year term at the pleasure of the City Manager. If a committee member resigns from the committee for any reason during the term, the City Manager shall appoint a replacement to serve the remainder of the one-year term. The City Manager may re-appoint former and current members of the committee to additional one-year terms. All such terms shall begin on the date of appointment to the committee and end one year from that date.
5. The sick leave committee shall:

a. Meet on a regular basis with the administrator;

b. Establish internal operating procedures which shall include, but not be limited to:

(1) A form and method for the enrollment of employees who elect to participate in the sick leave pool;

(2) A form and method for the cancellation of membership of employees who elect to withdraw from participating in the sick leave pool;

(3) A method for the deduction of sick leave hours from participating employee's sick leave accounts;

(4) A method for the expulsion of those members who have abused the use of the sick leave pool or who have repeatedly failed to maintain sufficient balance in their individual sick leave accounts to cover requests for contribution of additional hours.

(5) A form and review process for the requests of participating employees to utilize sick leave hours from the pool. This review process shall consider these criteria:

(a) Whether the employee making the request is an eligible member of the pool;

(b) Whether the occurrence leading to the request is considered a personal illness, accident, or injury for which leave can be withdrawn;

(c) Whether a valid medical certification accompanied the request to withdraw leave;

(d) Whether the employee has used all of their accrued annual leave;

(e) Whether the pool contains enough hours to grant leave to all employees whose requests...
have been approved. If it does not, then requests will be processed and granted in the order received.

6. The administrator and committee shall annually audit the operations of the sick leave pool and provide a summary of their findings to each employee participating in the pool at the time the audit report becomes available. The summary shall include at least the following information about the 12-month period audited:
   a. Number of hours on deposit in the pool at the close of the period audited;
   b. Total number of hours withdrawn from the pool during the period audited;
   c. Number of employees who withdrew leave from the pool during the period audited.

7. All records of the sick leave pool are personnel records and are open for inspection in accordance with City policy.

C. MEMBERSHIP AND PARTICIPATION

1. In order to be eligible for membership in the sick leave pool, an employee must:
   a. Be a full-time employee of the City of Panama City Beach;
   b. Have completed one year of employment with the City prior to participation in the sick leave pool;
   c. Have a minimum of 120 hours of sick leave accumulated at the time of application to participate in the sick leave pool.
   d. Be actively at work (not currently on sick leave) and verify that they do not have any knowledge of an existing health condition that would result in their being unable to work in the future.

2. In addition to satisfying the requirements of paragraph (1), an employee desiring to participate in the sick leave pool must
complete and submit an application form to the administrator of the sick leave pool. The application shall include the following:

a. The employee's name and social security number.

b. A statement that the employee's participation is voluntary.

c. An authorization for an initial contribution of eight (8) hours of sick leave to the pool.

d. An authorization for additional contribution of sick leave upon depletion of the pool, capped up to maximum sixteen hours per year.

e. A statement of the terms and conditions of membership in the pool.

f. The signature of the participating employee.

3. Participation in the sick leave pool is at all times voluntary and a participating employee may withdraw from the pool at any time by giving written notice to the administrator of the sick leave pool. Upon withdrawal from the pool, an employee shall cease to be entitled to use sick leave credits from the pool and shall forfeit any contributions. The administrator shall immediately amend the roster of participating employees to reflect the employee's withdrawal. Any sick leave contributed to the sick leave pool by a participating employee shall be forfeited upon the employee's cancellation of membership in the pool, upon retirement, or upon leaving City employment.

4. A member of the sick leave pool may be expelled from the sick leave pool by a majority vote of the sick leave committee after a determination by the administrator that such member has abused the use of the sick leave pool. The administrator shall immediately amend the roster of participating employees to reflect the employee's expulsion from membership.

5. If warranted by the circumstance, abuses, and upon a majority vote of the committee, an employee who abused the use of the sick leave pool may be required to repay all or part of the sick
leave credits withdrawn from the pool by the employee. Credits shall be repaid to the pool immediately if there is enough sick leave in the employee's personal account to cover the total owed to the pool. If the employee's personal sick leave account does not have sufficient hours to repay the pool, all hours in the account will be immediately paid to the pool, and the remainder of the hours owed will be paid each month as they are accrued by the employee until all hours owed have been repaid.

Upon separation of employment, a member of the sick leave pool may contribute to the sick leave pool any hours in excess of those hours to which the member is entitled to be compensated under the City's benefits policy.

D. MAINTENANCE OF THE SICK LEAVE POOL

1. When 400 hours have been deposited into the sick leave pool, the pool will be activated for use by eligible participating employees.

2. No member of the sick leave pool shall use more than 480 hours of leave from the pool in a rolling calendar year. The basis for determining the start of the rolling calendar year will be the date of first approval for withdrawal of hours from the pool.

3. When any participating employee uses 240 hours of leave from the pool in any calendar year due to a continuing illness or injury, the withdrawal of any further hours shall require renewed medical certification and review. For other than a continuing illness or injury, medical certification and review shall be required for each request of withdrawal of leave from the pool.

4. The pool will be considered depleted when less than 240 hours remain on deposit.

5. Whenever the pool is depleted, each participating employee, with prior notification, shall contribute an additional eight (8) hours of sick leave to the pool, up to the maximum of sixteen hours per year.

6. If the participating employee's individual sick leave balance is less than eight (8) hours at the time the pool is depleted, she/he
shall contribute all hours accumulated, and shall contribute the remainder as soon as she/he has accrued additional sick leave credits. The employee shall not be allowed to use sick leave credits until the amount owed to the pool has been contributed.

7. If a participating employee repeatedly fails to have a sufficient balance in her/his individual sick leave account when requested to contribute eight hours to the pool, the reasons for the use of sick leave credits by the employee shall be investigated by the administrator for a determination as to whether the employee's membership in the pool should be cancelled. The decision to cancel an employee's membership shall be by majority vote of the committee.

8. Hours contributed to the pool shall be placed in a single account for use by all members. No contributions for the benefit of a specific individual, illness or position will be accepted.

E. USE OF SICK LEAVE FROM THE POOL

1. An employee who is on leave without pay for reasons other than a personal or family illness, accident, or injury shall not be eligible to receive sick leave from the pool.

2. Sick leave accumulated in the pool shall not be used by a participating employee until all personally accrued sick and annual leave have been used.

3. Any sick leave in the pool shall only be used by a participating employee for the employee's personal illness, accident, or injury or the illness, accident or injury of the employee's child, parent or spouse. The following occurrences or situations shall not be considered personal illness, accident or injury for the purpose of this rule, and shall not entitle participating employees to draw from the sick leave pool:

   a. Participating in or voluntary commitment to a psychiatric facility, detoxification center, or similar rehabilitation program;

   b. Cosmetic surgery, unless such cosmetic surgery results in serious complications or was necessitated by an illness, accident, or injury not excluded under this subsection;
c. Intentionally self-inflicted injuries, such as resulting from a suicide attempt;

d. Illness, accident, or injury to a member of the employee's family who is not the employee's child, parent or spouse;

e. Personal illness, accident, or injury covered by Workers' Compensation.

4. The sick leave pool committee may authorize the use of sick leave from the pool. Medical certification of the accident, illness, or injury for which the use of sick leave is requested must accompany the request.

5. Abuse of sick leave from the pool shall include, but not be limited to the following:

a. Misrepresentation of an illness, accident, or injury, or the circumstances surrounding it, in order to receive leave to which the employee is not entitled under the provisions of this rule;

b. Submission by an employee of medical certification which is from other than a qualified medical practitioner or which misrepresents the nature of the employee's illness.

6. A participating employee who withdraws sick leave hours from the pool shall not be required to replace those hours, except as a regular contributing member of the pool, unless required to do so because it has been determined that the employee abused the use of sick leave from the pool.

F. DISCONTINUATION OF THE SICK LEAVE POOL

1. The City Council may at any time repeal this rule for the purpose of discontinuing the sick leave pool.

2. All hours remaining in the sick leave pool, at the time of the repeal of this rule, will be apportioned among or returned to the remaining members of the pool.
