WHEREAS, Americans will always remember the terrible events and violent cruelty of September 11, 2001. We will always honor the many innocent lives that were lost and never forget the heroism of the passengers, first responders, and others on that day. During this year's National Days of Prayer and Remembrance, we pay tribute to the memory of those taken from us in the terrorist attacks in New York, Pennsylvania, and at the Pentagon; and

WHEREAS, we pray for the families left behind who continue to inspire us through their steadfast character, courage, and determination. In the face of these unspeakable attacks, we were reminded that the great strength of America is found in the hearts and souls of our citizens; and

WHEREAS, never forgetting that terrible day, we remain determined to bring our enemies to justice, defy the terrorists' ideology of hate, and work to make our world safer. We honor the members of our Armed Forces who died while taking the fight to our adversaries, and we are grateful for those who continue to protect our Nation and our way of life; and

WHEREAS, the war that began for American on September 11, 2001 continues to call upon the courage of our men and women in uniform and the perseverance of our citizens. The past fifteen years have brought many challenges and sacrifices, yet we have much reason to be thankful and hopeful about the future.

NOW, THEREFORE, the City Council of the City of Panama City Beach calls upon all citizens of Panama City Beach to observe September 8-10, 2017 as "National Days of Prayer and Remembrance" and September 11, 2017 as "Patriot Day" and asks that the citizens and places of worship mark these days with memorial services and other appropriate ceremonies. The Council calls upon all citizens to observe Patriot Day by displaying the flag at half-staff from their homes and businesses that day, with a moment of silence at 7:46 A.M.

Dear Sir:

On the 13th and 14th of October 2017, Shaddai Shriners are having their Fall Ceremonial which brings in new members. Each year, on the Saturday of this function, we have a parade on Panama City Beach down Front Beach Road.

We have 13 Shrine Centers from the Southeast Region participating in the parade and patronizing beach businesses that weekend.

We would like to request a Saturday, October 14th road closure for our parade. Our line up would begin at Nautilus Street and travel West on Front Beach Road to end at Powell Adams Road. The times would be: Line up at 8:30-9:00 a.m. down Nautilus Street, and step off @ 10:00 a.m.

If you have any questions, please contact the office at 850-769-8303, or Bill Castor Jr. at 850-832-4382.

Respectfully submitted,

David McMillan

6. **BACKGROUND:** (WHY IS THE ACTION NECESSARY, WHAT GOAL WILL BE ACHIEVED)
   This issue was mentioned at the City Council - Planning Board workshop. Section 7.02.03.G and Tables 7.02.03.F & G of the Land Development Code establishes a limited number and type of front yard displays. However, most commercial businesses along Front Beach Road have outdoor display areas such as floats, propane tanks, shirts, drink machines, atms...etc. Section 7.02.03 of the LDC could be amended to permit a limited amount of outdoor display. This issue has mostly been a problem along Front Beach Road, South Thomas Drive and Thomas Drive.

   In sum, the proposed ordinance provides that:

   1. Outdoor display areas shall be limited to 20% (the City Council stated a preference of 40%) of Building Frontage of the Premises (rounded up to the next 10);
   2. Building Frontages of 200 linear feet or greater are permitted to have two display areas which sum will not exceed that allowed for the Building Frontage;
   3. If a Building Frontage contains more than one establishment, each establishment will be calculated independently.

   The Planning Board considered this issue at their March 13, 2017 meeting. The City Council approved first reading of the Ordinance on July 13, 2017. A public hearing has been timely published for the City to consider second reading and adoption of the Ordinance on August 24, 2017.
ORDINANCE NO. 1425

AN ORDINANCE OF THE CITY OF PANAMA CITY BEACH, FLORIDA, AMENDING THE CITY'S LAND DEVELOPMENT CODE RELATED TO COMMERCIAL USE OF FRONT YARDS IN THE FRONT BEACH OVERLAY DISTRICT; PROVIDING THAT OUTDOOR DISPLAY AREAS SHALL BE LIMITED TO 40% OF THE BUILDING FRONTAGE; PROVIDING ACCOMMODATIONS FOR LARGE BUILDINGS AND BUILDINGS CONTAINING MULTIPLE BUSINESS ESTABLISHMENTS; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH; PROVIDING FOR CODIFICATION; AND PROVIDING AN IMMEDIATELY EFFECTIVE DATE.

WHEREAS, many commercial businesses along Front Beach Road have outdoor display areas, and

WHEREAS, the Council finds that the size of outdoor display areas should be limited to balance the desire of the businesses to advertise their wares and the desire of the City to see the businesses in Front Beach Road tourist corridor operated in a neat and uncluttered manner.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF PANAMA CITY BEACH:

SECTION 1. From and after the effective date of this ordinance, Section 5.04.06 of the Land Development Code of the City of Panama City Beach related to Supplemental Uses, is amended to read as follows (new text bold and underlined, deleted text struckthrough):

5.04.06 Commercial Use of Front Yards.

B. The Use is limited to the hours of operations of the business in the principal structure, with all displays and stands being moved indoors nightly;
C. The Use will not interfere with pedestrian movement along public sidewalks;
D. The Use will not create a traffic hazard or interfere with transit service;
E. The Use will not interfere with the Use, enjoyment or operations of adjacent properties; and

not exceed the maximum percentage allowed for the Building Frontage. If a Building Frontage contains more than one establishment, each establishment will be calculated independently.

G. The approval shall be valid for one year and shall automatically be renewed unless the City finds evidence of repeated or intentional failure to maintain one or more of the conditions of approval. If such evidence is presented, then the approval may only be extended following a hearing following submission of a credible plan to correct such failures and maintain compliance with such conditions.

SECTION 2. All ordinances or parts of ordinances in conflict herewith are repealed to the extent of such conflict.

SECTION 3. The appropriate officers and agents of the City are authorized and directed to codify, include and publish in electronic format the provisions of this Ordinance within the Panama City Beach Land Development Code, and unless a contrary ordinance is adopted within ninety (90) days following such publication, the codification of this Ordinance shall become the final and official record of the matters herein ordained. Section numbers may be assigned and changed whenever necessary or convenient.

SECTION 4. This Ordinance shall take effect immediately upon passage.

   In June 2010, the City entered a Beachfront Lease Agreement with Coastal Parasail, regarding the rental and use of the snack bar, tackle and bait shop, kiosks, and concession deck. That lease contemplated renewals over a ten year period, and was renewed in September 2012 for a five year period.

   Staff recommends renewing the lease now for a final three year term.

   If approved, the lease renewal will also modify the lease to allow the tenant's payment of additional rent by the twentieth day of each month, and clarify the tenant's responsibility to repair or otherwise maintain the kiosks located in the leased premises in good condition.

   At the conclusion of the three year term (September 30, 2020), the City will need to take over operations of the leased premises, or solicit the provision of these services by a competent third party.
RESOLUTION 17-122

A RESOLUTION APPROVING AND AUTHORIZING EXECUTION OF AN AGREEMENT RENEWING AND AMENDING THE CITY’S LEASE WITH COASTAL PARASAIL, INC., OF THE KIOSKS, SNACK BAR, DINING AREA, TACKLE AND BAIT SHOP AT RUSSELL FIELD PIER; AND PROVIDING AN IMMEDIATELY EFFECTIVE DATE.

BE IT RESOLVED that the appropriate officers of the City are authorized but not required to execute and deliver on behalf of the City that certain Extension and Second Amendment to Beachfront Lease Agreement between the City and Coastal Parasail, Inc., relating to the operation and use of the Kiosks, Snack Bar, Dining Area, Tackle and Bait Shop at Russell Field Pier, providing for extension of the lease for a term of three years and amending the date by which the monthly payment of Additional Rent shall be made; all in substantially the form attached and presented to the Council today, with such changes, insertions or omissions as may be approved by the City Manager, whose execution of such agreement shall be conclusive evidence of such approval.

THIS RESOLUTION shall be effective immediately upon passage.

<td>Although staff may reallocate line items within a department's budget, any changes to the overall bottom line of an individual department's budget must be approved by the City Council. The attached budget amendment #50 reallocates funds from those departments with budgeted excesses to those departments with projected shortfalls. Additionally, staff is requesting the re-appropriation of funds from FY 2016 to FY 2017 necessary as a result of construction timing differences. Several projects originally included in the FY 2016 budget proceeded at a pace slower than anticipated in the budget process resulting in a &quot;shifting&quot; of both cash carry forward and expenditures from FY 2016 to FY 2017. The overall costs of the projects were unchanged but the split between years was different than estimated necessitating an adjustment. General Fund reserves are unchanged as a result of this budget amendment.</td>

   Portions of the City gravity sewer system are aging to the point they require maintenance in order to keep them functioning properly and minimize any groundwater/stormwater intrusion. City staff has identified several target areas and prepared bid documents for a multi-year effort to provide cleaning, television inspection and various repair techniques to address any issues found during the inspection phase. These areas primarily include, but are not limited to, the Bay Point, Woodlawn, and Colony Club subdivisions and portions of Front Beach Road. Staff advertised for bids and eight (8) bidders responded. Staff reviewed the bid documents and recommends that the continuing contract be awarded to the lowest responsive bidder, Ric-Man Construction FL, Inc. This is a unit price continuing contract with an initial 1-year term with 2 potential one (1) year renewals.

   City staff is proposing $2 Million be included in the FY 2018 budget for the first year of this effort. Bids for the work were received on August 15, 2017 and a tabulation of responsive bidders is attached. The dollar amount used as the basis of award is the cost that could be incurred during the the three year program if all proposed unit price work is completed. Attached is a draft copy of the Agreement that includes Unit Prices for each work item (Exhibit A). No work will be initiated until the FY 2018 budget is approved by the City Council. Subsequent Work Authorizations to Ric-Man Construction will be prepared by staff and executed by the City Manager. Total fiscal year expenditures via Work Authorizations will not exceed the budget amount proposed by staff and approved by the City Council each year.

   WHY - To allow the City Manager to enter into a Unit Price continuing Agreement with Ric-Man Construction for work at the specified Unit Prices beginning in FY 2018.

   WHAT - To allow for rehabilitation of the older portions of the City gravity sewer system to keep it in good service condition.

THIS AGREEMENT is made this _____ day of ______________________, 2017
by and between THE CITY OF PANAMA CITY BEACH, FLORIDA, (hereinafter called
"OWNER") and Ric-Man Construction Florida, Inc., doing business as a corporation,
having a business address of 3100 SW 15th Street, Deerfield Beach, FL 33442 (hereinafter
called "CONTRACTOR") , for the performance of the Work (as that terms is defined
below), to the extent authorized by a Work Authorization, in connection with the PANAMA
CITY BEACH – SEWER REHABILITATION PROJECT – FY 17/18 ("Project"), in
accordance with the Contract Documents and the applicable Work Authorization and all
other Contract Documents hereafter specified.

RECITALS

WHEREAS, the scope of WORK to be performed by CONTRACTOR includes cleaning
and inspecting of various sized sewer and storm water drainage lines by CONTRACTOR
throughout the City of Panama City Beach as more specifically set forth and described in the
Contract Documents. Based on such cleaning and inspection, the OWNER will decide, in its
sole discretion, as to the necessary repair or rehabilitation services to those lines, which
OWNER may authorize CONTRACTOR to perform, in OWNER'S sole discretion and in
accordance with its overall available budget, pursuant to various Work Authorizations (as such
term is defined below). The CONTRACTOR shall provide all materials, equipment and labor to
complete the portions of the project that are authorized by OWNER through Work
Authorizations.

WHEREAS, the specific scope of WORK to be performed by CONTRACTOR, if any, will
be described in one or more work authorizations and attachments thereto ("Work
Authorization"), the form of such Work Authorization being set forth in Section 00098.
WHEREAS, the purpose of the Contract is to set forth the obligations, responsibilities, terms and conditions applicable to the parties in the event CONTRACTOR performs any WORK for OWNER pursuant to a Work Authorization. The execution of the Contract alone will not authorize CONTRACTOR to perform any WORK for OWNER, but the terms and conditions of the Contract shall be considered a part of any and all Work Authorizations that may be issued thereafter to CONTRACTOR, unless otherwise expressly noted in the subject Work Authorization.

WHEREAS, all Work Authorizations will be subject to the mutual agreement of OWNER and CONTRACTOR, such agreement being evidenced by the joint execution of the Work Authorization. If OWNER and CONTRACTOR cannot reach agreement on a specific Work Authorization, OWNER shall have the right to have such WORK performed by another contractor. Further, OWNER reserves the right, in its sole discretion, to award other contracts for the performance of any or all of the WORK and to exclude any services or scope of Work, which otherwise may have been identified or anticipated under this Project, from the CONTRACTOR.

NOW, THEREFORE, the foregoing recitals are hereby incorporated as fully set forth hereinafter, and in consideration of the mutual covenants and agreements set forth herein, OWNER and CONTRACTOR agree as follows:

1. The CONTRACTOR shall furnish, at its sole expense, all supervision, labor, equipment, tools, material, and supplies to properly and efficiently perform all of the work required under the Contract Documents and the Work Authorizations duly executed by the parties, and shall be solely responsible for the payment of all taxes, permits and license fees, labor fringe benefits, insurance and bond premiums, and all other expenses and costs required to complete such work in accordance with this Agreement (collectively the "Work"). CONTRACTOR'S employees and personnel shall be qualified and
experienced to perform the portions of the Work to which they have been assigned. In performing the Work hereunder, CONTRACTOR shall be an independent contractor, maintaining control over and having sole responsibility for CONTRACTOR'S employees and other personnel. Neither CONTRACTOR, nor any of CONTRACTOR'S sub-contractors or sub-subcontractors, if any, nor any of their respective employees or personnel, shall be deemed servants, employees, or agents of OWNER.

2. The CONTRACTOR will commence the Work required by any Work Authorization within ten (10) calendar days after the date of a NOTICE TO PROCEED that is issued by OWNER with respect to the Work authorized pursuant to that Work Authorization and will achieve Substantial Completion of the Work within the timeframe set forth in such Work Authorization, except to the extent the period for Substantial Completion is extended pursuant to the terms of the Contract Documents ("Contract Time"). Final Completion of the Work shall be achieved by CONTRACTOR within the time period set forth in Section 15.2 of Section 00100, General Conditions.

3. The CONTRACTOR agrees to pay the OWNER, as liquidated damages, the sum to be set forth in the applicable Work Authorization for each calendar day that expires after the Contract Time for Substantial Completion as more fully set forth in Section 15 of the General Conditions.

4. The CONTRACTOR agrees to perform all of the Work described in the Contract Documents and comply with the terms therein for the sum to be set forth in the applicable Work Authorization in accordance with the unit prices shown in the BID SCHEDULE (Exhibit A), included within the Bid Proposal Form, as said amount may be hereafter adjusted pursuant to the terms of the Contract Documents ("Contract Price").

Fax No.: _______________________

Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

10. CONTRACTOR recognizes that OWNER is exempt from sales tax and may wish to generate sales tax savings for the Project. Accordingly, to the extent directed by and without additional charge to OWNER, CONTRACTOR shall comply with and fully implement the sales tax savings program as more fully described in the Sales Tax Exemption Addendum. If required by OWNER, the Sales Tax Exemption Addendum shall be made a part of the Contract Documents, the form of which is set forth in Section 00808.

11. The failure of OWNER to enforce at any time or for any period of time any one or more of the provisions of the Agreement shall not be construed to be and shall not be a continuing waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

12. Each of the parties hereto agrees and represents that the Agreement comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by this Agreement.

13. Should any provision of the Agreement be determined by a court with
jurisdiction to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

14. Unless the context of this Agreement otherwise clearly requires, references to the plural include the singular, references to the singular include the plural. The term "including" is not limiting, and the terms "hereof", "herein", "hereunder", and similar terms in this Agreement refer to this Agreement as a whole and not to any particular provision of this Agreement, unless stated otherwise. Additionally, the parties hereto acknowledge that they have carefully reviewed this Agreement and have been advised by counsel of their choosing with respect thereto, and that they understand its contents and agree that this Agreement shall not be construed more strongly against any party hereto, regardless of who is responsible for its preparation.

15. For this Project, OWNER may at its sole discretion designate a Project Representative to assist OWNER with respect to the administration of this Agreement.

16. CONTRACTOR acknowledges and agrees that no interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which the OWNER or PROJECT REPRESENTATIVE may be responsible, in whole or in part, shall relieve CONTRACTOR of its duty to perform or give rise to any right to damages or additional compensation from OWNER. CONTRACTOR expressly acknowledges and agrees that it shall receive no damages for delay. CONTRACTOR's sole remedy, if any, against OWNER will be the right to seek an extension to the Contract Time; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage For Delay" provision. This section shall expressly apply to claims for early completion, as well as to claims based on late completion. Notwithstanding the foregoing, if the
Work is delayed due to the fault or neglect of OWNER or anyone for whom OWNER is liable, and such delays have a cumulative total of more than 90 calendar days, CONTRACTOR may make a claim for its actual and direct delay damages accruing after said 90 calendar days as provided in Section 00805 Supplemental Conditions, Contract Claims and Changes. Except as expressly set forth in this section, in no event shall OWNER be liable to CONTRACTOR whether in contract, warranty, tort (including negligence or strict liability) or otherwise for any acceleration, soft costs, lost profits, special, indirect, incidental, or consequential damages of any kind or nature whatsoever.

17. INSURANCE - BASIC COVERAGEs REQUIRED [NOTE: THE CITY’S RISK MANAGER MUST REVIEW AND CONFIRM THE COVERAGE TYPES AND LIMITS SPECIFIED HERE FOR THIS PROJECT.]

The CONTRACTOR shall procure and maintain the following described insurance on policies and with insurers acceptable to OWNER. Current Insurance Service Office (ISO) policies, forms, and endorsements or equivalents, or broader, shall be used where applicable.

These insurance requirements shall not limit the liability of the CONTRACTOR. The insurance coverages and limits required of CONTRACTOR under this Agreement are designed to meet the minimum requirements of OWNER and the OWNER does not represent these types or amounts of insurance to be sufficient or adequate to protect the CONTRACTOR’S interests or liabilities. CONTRACTOR alone shall be responsible to the sufficiency of its own insurance program.

The CONTRACTOR and the CONTRACTOR’S subcontractors and sub-subcontractors shall be solely responsible for all of their property, including but not limited to any materials, temporary facilities, equipment and vehicles, and for
obtaining adequate and appropriate insurance covering any damage or loss to such property. The CONTRACTOR and the CONTRACTOR'S sub-contractors and sub-subcontractors expressly waive any claim against OWNER arising out of or relating to any damage or loss of such property, even if such damage or loss is due to the fault or neglect of the OWNER or anyone for whom the OWNER is responsible. The CONTRACTOR is obligated to include, or cause to be included, provisions similar to this paragraph in all of the CONTRACTOR’S subcontracts and its subcontractors’ contracts with their sub-subcontractors.

The CONTRACTOR’S deductibles/self-insured retention’s shall be disclosed to OWNER and are subject to OWNER’S approval. They may be reduced or eliminated at the option of OWNER. The CONTRACTOR is responsible for the amount of any deductible or self-insured retention. Any deductible or retention applicable to any claim or loss shall be the responsibility of CONTRACTOR and shall not be greater than $25,000, unless otherwise agreed to, in writing, by OWNER.

Insurance required of the CONTRACTOR or any other insurance of the CONTRACTOR shall be considered primary, and insurance of OWNER shall be considered excess, as may be applicable to claims or losses which arise out of the Hold Harmless, Payment on Behalf of OWNER, Insurance, Certificates of Insurance and any Additional Insurance provisions of this agreement, contract or lease.

CONTRACTOR shall purchase and maintain Excess Umbrella Liability Insurance or Excess Liability Insurance on a full occurrence form providing the same continuous coverages as required for the underlying Commercial General, Business Automobile and Employers' Liability Coverages with no gaps in continuity of coverages or limits with OWNER added by endorsement to the policy as an additional insured in the same manner as is required under the primary policies, and shall not be less than $1,000,000, each occurrence and

18. Notwithstanding anything herein to the contrary, this Contract shall have an initial term of one (1) year from of the date it is executed by both OWNER and CONTRACTOR. This Contract shall automatically renew for two (2) consecutive one (1) year terms unless either party hereto elects not to renew this Contract by sending the other party written notice thereof ("Non-Renewal Notice") at least sixty (60) days prior to the annual anniversary of this Contract. In the event CONTRACTOR sends the Non-Renewal Notice to OWNER, thereafter no new Work Authorizations shall be issued under this Contract, but CONTRACTOR shall be obligated to complete all Work Authorizations issued prior to such Non-Renewal Notice, subject to the other terms and conditions of the Contract Documents, including but not limited to, OWNER'S right to terminate any and all such Work Authorizations for cause or its convenience. In the event OWNER sends Construction Contractor the written Non-Renewal Notice, OWNER shall designate therein as to how any pending WORK under any still outstanding Work Authorizations are to be handled, which directions may provide for either the termination or continued performance of such WORK. If OWNER directs CONTRACTOR to continue to perform any such WORK, CONTRACTOR shall continue performance of such WORK in accordance with OWNER'S directions and this Contract shall continue as to such WORK.

IN WITNESS WHEREOF, the parties hereto have executed or caused to be executed by their duly authorized officials, this Agreement in two (2) copies each of which shall be deemed an original on the date first written above.

6. **BACKGROUND:**
   (WHY IS THE ACTION NECESSARY, WHAT GOAL WILL BE ACHIEVED)

   The Utilities Department has one approved permanent part-time position for a licensed Wastewater Treatment Plant (WWTP) Operator. The employee currently in that position is a state licensed operator, but has a full-time job elsewhere and has worked up to 20 hours on weekends at the City WWTP for the last 16 years. The operator is leaving for personal reasons and staff requests permission to replace the permanent part-time position with a full-time position to provide more scheduling flexibility for the facility. The WWTP requires operators on site 24 hours per day.

   **WHY** - To allow the Department to adequately staff the Wastewater Treatment Plant at all times.

   **WHAT** - To allow the City to replace a part-time employee with a full-time employee.
